5 THE ACADEMY DAY

Year Group	Time	Action

Drop and collect your child from the classroom via the KS1 Harvist Road entrance at the beginning and end of the day; lunchtime collection at 12.00 is via the nursery gate on Harvist Road
Reception	8.30am – 8.50am	Kempe Road gate open for start of day: take children to classrooms
	3.10pm – 3.30pm	Kempe Road gate open for end of day: collect children from classrooms
Key Stage One	8.30am – 8.50am	Harvist Road gate open: children make their own way to class
	3.10pm – 3.30pm	Harvist Road gate open: collect children from classrooms
Key Stage Two	8.30am – 8.50am	Kempe Road gate open: children make their own way to class
	3.20pm	Key Stage Two children line up in the playground

Parents of nursery children are welcome to accompany their child into the classroom.

Parents of children in Key Stage One and Key Stage Two should escort their child to the correct gate before 8.50am and say farewell, a member of the team will be on duty at this time to greet children and ensure they get to class.

Lateness

The register is taken at 8.55am every morning; any child not arriving by 8.50am must enter by the office, as the gates will be closed. Persistent lateness is taken very seriously and we are obliged to report it to the Educational Welfare Service.

Leaving Franklin during the working day

If your child has to leave the academy at any time during the day, the office must be informed and their absence recorded. Appointment cards/letters must be provided please.

End of day collection

Nursery parents should collect their children via the nursery gate on Harvist Road at 12.00, if attending in the morning, and from the nursery at 3.10pm which is accessed via the Harvist Road gate, if attending all day.

Pupils in Years 5 and 6 are permitted to travel home independently provided written permission from a parent has been given.

This is a very busy time on the Franklin site, as parents enter through the gates on Harvist and Kempe roads from 3.10pm. It is therefore really important that once you collect your child/ren that you keep a watchful eye on them. Should you lose sight of your child at this busy time, to ensure that adults and children are reunited as quickly as possible, please follow our **separation procedure**: should a child lose sight of their parent, they are to go immediately to a member staff, or, if no member of staff can be seen, to return immediately to their classroom and await an adult. Meanwhile, any parent who loses sight of their child is to go immediately to their normal exit point, and, on arrival, inform another adult that they have lost sight of their child, the other adult can then go in search of a member of staff to alert the school to assist in the reuniting of parent and child.

Afternoon Lateness

All children not collected by 3.30 will be taken to the office and parents will be called.

If any parents know that they will be late collecting their child they are asked to inform the office as early as possible to avoid any unnecessary concern.

Parents collecting their children after 12.15pm for morning nursery and after 3.45pm at end of day, need to sign the 'Late Collection' book which the member of staff on duty will have, a late collection fee will be incurred. The Headteacher will invite parents who are persistently late to collect their children to a meeting to discuss how this can be remedied.

If you wish your child to be collected by someone other than yourself, you must let the office know and this person must be known to your child.

Absence

If your child is unable to attend school due to illness or other circumstances please contact the office before 8.30am. If we have not heard from you by 9.30am we will contact you directly.

If your child is likely to be absent from school due to illness for a long period of time please inform us. We will be happy to discuss any support needed to ensure they keep up to date with what is taking place in school. On your child's return following an absence we require a short note outlining the reason for the absence for our records, and a doctor's certificate if the absence was for a period longer than five days.

Holidays/Term Time Leave

We **strongly** discourage parents from taking their children out of school for holidays during term time, as it affects the continuity and quality of your child's education.

Holidays in term-time will not be authorised.

If you need to take your child out of school for any reason, you will need to fill out a "Request for Leave during 'Term' form available from the office. Please understand that leave during term time is not a right and will only be granted by the Headteacher in **exceptional** circumstances. If you take your child out of school without permission, you may be in breach of section 444(1A) of the Education Act 1996 and your child may be referred to the local authority Education Welfare Service.

6 FIRST AID

Please complete the pupil medical information form in the parent pack. It is imperative that all the details are kept-up-to-date, especially your emergency contact numbers; inform the office if your details change.

Accidents, Injuries and/or Sickness

At Ark Franklin the health, safety and welfare of our pupils is of paramount importance.

If your child is injured at school we will, where possible, treat the injury and discuss with you by phone or at the end of the day.

There may be times when we need to contact you, either for permission to treat your child or because we feel that you need to check them yourself, e.g. if they have bumped their head. In these cases we will make every effort to contact you as quickly as possible.

If your child feels unwell during school we will contact you so that you can make any necessary arrangements to collect your child.

It is not uncommon for a young child to not reach the toilet in time and we will keep spare clothing for such eventualities. These incidents will be dealt with as soon as we are made aware of them and we will endeavour to avoid any embarrassment to your child.

First Aid Provision

First Aiders are responsible for assessing injuries or ill health and use their training to decide upon the most appropriate response. This can involve treating the casualty if the injury is within the scope of their training, referring them to hospital for assessment or further treatment, or calling the emergency services for immediate help; we have qualified first aiders on site to administer first aid.

Head Bump Notes

Children often bump their heads without further consequences, but parents will be informed about head bumps so that they can look out for signs that the injury could be more serious. A note is issued to inform parents about any head bumps, and the signs to look out for. If any of these signs become apparent while the child is still at school, we will arrange for them to see a GP or attend an A&E department immediately.

Pupils with Medical Conditions

We need to be informed if a pupil with a medical condition is likely to need special emergency treatment. A health care plan will be prepared for such pupils and any necessary training arranged. Pupil health care plans are available to first aiders and class teachers, a copy will be provided to any medical practitioner providing emergency medical treatment.

Medicines

Staff are not permitted to administer non-prescribed medicines. With the exception of asthma inhalers, pupils are not allowed to administer medicines themselves. If a child does need a short-term course of doctor prescribed medicine during school time, parents must discuss this with the office and give written permission for a nominated adult to administer the medicine. All inhalers should be labelled with your child's name and a second inhaler kept in the office as an emergency back-up. If your child requires medicine long-term, parents are asked to discuss this with the office and complete a disclaimer form giving a nominated person permission to administer them.

Allergies

It is very important that we know about all allergies your child might have, however slight (plasters, nut allergies, wasp stings, asthma etc), so that your child receives the appropriate treatment.

7 UNIFORM

Our uniform identifies us as a community and reinforces our culture of high expectations and academic achievement. All pupils are expected to dress in full school uniform as this is a very important part of our ethos and culture.

- Uniform unites us as a community: we learn, practise, play and succeed together.
- Uniform reduces distractions: we are focused on our learning.
- Uniform makes us all equal; we come to school looking the same way; no one has to feel awkward about the clothes they have or don't have.
- Uniform gives us all an identity to be part of and proud of.
- Uniforms are professional. Pupils look smart and ready to learn.

If pupils are not dressed in the appropriate uniform parents will be contacted and asked to bring missing items in. Pupils who repeatedly do not wear their uniform may be required to attend detention.

8 LUNCHEES AND SNACKS

Healthy Eating

Ark Franklin is committed to healthy eating and therefore children are not permitted to bring junk food, including, crisps, chocolate, sweets and fizzy drinks to school; any such contraband will be confiscated and disposed of. **For allergy reasons we are also a nut-free school.**

Our onsite kitchen offers every child a healthy lunch, cooked freshly at the school, every day. A vegetarian choice is always provided and we can usually cater for most special dietary needs.

Pupils in Reception, Year 1 and Year 2 receive a free school meal as part of the Universal Infant Free School Meals scheme.

Full time nursery and Key Stage 2 pupils have the option to have a school meal or to bring a packed lunch.

School meals need to be paid for in advance, via the office or by using our online payment service Wisepay. Payments must be made on a weekly or half termly basis. If you wish to change your child's lunch preference we need confirmation a week in advance, in writing, and this can only be done on a half-termly basis, unless there are exceptional circumstances.

Free School Meals

You may be entitled to free school meals for your child. Please pick up an application form from the office or directly from the local authority as this does not happen automatically. Once we have been notified by the local authority, your child will be eligible for a free lunch.

Access to drinking water

Mild dehydration is one of the most common causes of daytime fatigue. Pupils can access drinking water from the canteen and water fountains during break and lunch. All children are expected to have a plastic water bottle from which they will be encouraged to drink water throughout the day.

Snacks at break-time

We believe in encouraging our children to eat healthily. Anyone who wishes to bring a healthy snack, such as fruit or vegetables, may do so. The children in nursery, Reception and years 1 and 2 will be provided with a snack (a piece of fruit) as a part of their daily routine.

Birthdays

We understand that a child's birthday is a very special day, but due to allergies and our commitment to healthy eating we do not permit treats to be brought in, please respect this.

9 THE CURRICULUM

We provide a broad and balanced curriculum which develops the individual child according to their age and ability. In addition, we are committed to providing significant opportunities for pupils to master English and mathematics skills. Franklin has implemented an adapted version of the Foundation Stage and the National Curriculum, and has a curriculum map to ensure that we cover all the statutory requirements during your child's time with us.

Teachers use a wide variety of teaching methods, adapted according to the subject, age and ability of the individual pupil. At Ark Franklin we place great emphasis on giving children practical activities and opportunities in their learning, as we believe that it is only by direct experience that true understanding of a specific area, and its relevance to real life, can be gained.

Educational Visits

We believe that our pupils benefit from visiting places of interest and having representatives from various organisations and other specialists visit Franklin. These experiences will link to the subjects/topics that the children are studying.

Quite often there will be local trips e.g. to the library or park. For such trips we may not ask for your written permission. For all others, parents and carers will be asked for authorisation.

In the majority of cases we will request a contribution towards the cost of the event or trip. Please discuss any concerns you have regarding this with your child's teacher. Permission slips and payments should be returned to the office or to the class teacher in a sealed envelope clearly labelled with what the payment is for.

Breakfast Club

The school operates a Breakfast Club every morning from 8.00am-8.30am. Please contact the office if you are interested in enrolling your child.

After School Club

Let Me Play run after school provision at Franklin from 3.30pm – 6.00pm. Further information and enrolment is available online via <https://bookings.letmeplay.co.uk/dashboard>

After school activities

Franklin offers a range of extra-curricular activities from 3.30-4.30pm in term time. A full list goes out at the end of each term and parents can sign up using wisePAY.

P.E.

All children will participate in daily physical activity in our well-equipped playgrounds and garden. Each class will have P.E. at least once a week and children will be expected to wear their PE kit to school on that day.

Homework

All children are expected to read to and with their parents every day, in reception and year one this will include practising their letter sounds; spellings will also be a regular part of weekly homework. Additional homework will be set by class teachers according to identified needs.

10 BEHAVIOUR POLICY

Ark Franklin's bespoke, proactive approach to behaviour management encourages pupils to accept responsibility for their actions, show initiative, and understand how they can contribute positively to our learning community. Every opportunity is taken to praise, reward and encourage our children to make the right choice, for we are very aware that positive reinforcement is far more powerful and influential than punitive measures.

We encourage the highest standards of good behaviour and discourage behaviour that undermines learning or confidence. We endeavour to work with parents at every opportunity to ensure and enable each and every child to behave in a positive manner at all times.

If our comprehensive offer of rewards and consequences prove ineffective, close collaboration with parents and careful evaluation of the curriculum on offer, classroom organisation and management will take place to establish and reduce contributory

factors. Additional specialist help and advice from our educational psychologist and the local authority may be necessary; these arrangements will always be made with the full involvement of parents, the inclusion lead and the Headteacher.

12 PUPIL INFORMATION

Digital Images, Photographs and Video Footage

There are many occasions during the school year where photographs and/or video recordings of the children are made by staff, other parents and the press. These may be published within the academy, by Ark or in wider publications, e.g. websites and newspapers. **If you would not like your child's image to appear externally please complete the form in the parent welcome pack.**

Furthermore, children in the nursery and reception will be regularly photographed as a record of progress against the Foundation Stage Profile. Should you have any concerns regarding this, please discuss them with the class teacher.

If you do not wish for digital images, photographs and/or video footage of your child to be taken, please make your wishes known using the permission form in the parent welcome pack.

Mobile Phones

We discourage all children from bringing mobile phones to school and only permit it for our year five and six pupils who travel to and from school alone. Pupils' mobile phones should not be heard or seen on site and are the responsibility of each individual child who chooses to bring one to school. If a child is seen with a mobile phone at Franklin it will be confiscated, and then can only be collected by a responsible adult from the school office; a repeated breach of the school rule will lead to a week-long confiscation, and the possibility of a mobile phone ban for that child.

Lost Property

All items of clothing and belongings should be clearly marked with your child's name. Unnamed property will be stored in the trunk outside the medical room for parents to collect. We will keep items of lost property for approximately a term, after which time, any unclaimed items will be recycled.

Emotional Health and Wellbeing

We take our children's personal development and wellbeing very seriously at Franklin and work closely with external agencies to support pupils and their families. We will ensure that vulnerable children have individual support plans, putting in place planned and structured intervention work to address any issues identified. We ensure that social and emotional skills are an integral part of the curriculum and of PSHE, recognising their potential impact on teaching and learning.

13 PARENTS IN SCHOOL

Communication Policy

We believe that links between home and school are key, as it is by working in partnership that our children's education will be more successful. To facilitate this you will be given the email address of your child's class teacher enabling you to make contact regarding any queries or concerns; we would ask that you limit emails to between the hours of 7.00am and 6.00pm, Monday to Friday, term time only. If you would like to see your child's class teacher in person, then you can do so by contacting the office or the class teacher directly to arrange a mutually agreeable appointment time.

During the year, there will be opportunities to come into school on a more formal basis to discuss your child's progress and to consider how we can all support their continued learning.

Annual Reports

An annual report on your child/ren will be sent out at the end of the summer term outlining the progress that they have made, together with targets for further improvement. There will be an opportunity for all parents to comment on the report using the feedback sheet. You may also arrange a meeting with the class teacher to discuss the report.

Ark Franklin Website

Please visit our website at www.arkfranklinprimary.org for up-to-date information and details of upcoming school events.

PTA

Ark Franklin has a very active parent teacher association who organise many events throughout the year, full details of the current committee can be found on our website.

14 CONCERNS

Safeguarding Children at Ark Franklin

Ark Franklin, its staff and governors, are committed to safeguarding the welfare of our pupils and to providing a safe environment with robust systems to ensure the safety and healthy development of all our pupils at all times. Everyone working in or for Ark Franklin shares the objective of helping to keep children and young people safe by:

- Ensuring that Ark Franklin provides a safe environment in which children and young people can learn and develop;
- and identifying children and young people who are suffering, or at risk of suffering abuse and taking appropriate action with the aim of making sure they are kept safe both at home and in school.

We are committed to doing our best to identify any child who may be vulnerable to abuse and to

working with the appropriate authorities to support and safeguard them.

We are committed to providing all our pupils with a safe learning environment, free of bullying and other forms of harassment, and to teaching pupils to act safely in and outside school and on the internet.

We will always take a considered and sensitive approach in order to support all our pupils. It is **NOT** the responsibility of academy staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff have a duty, however, to recognise concerns and maintain an open mind. Accordingly, all concerns regarding the welfare of pupils will be recorded and discussed with the designated senior person with responsibility for child protection, cases will be discussed with parents wherever possible.

If a pupil, parent, or member of staff should disclose concerns about the welfare of a child at Ark Franklin, we will first consider the following:

- any urgent medical needs of the child;
- discussing the matter with other agencies involved with the family;
- consulting with appropriate persons e.g. Designated Safeguarding Lead, Children's Social Care;
- and the child's wishes.

Then decide, in accordance with the procedures or advice of the local safeguarding children's board:

- where possible to talk to parents, **unless** to do so may place a child at risk of significant harm, impede any police investigation and/or place the member of staff or others at risk;
- whether to make a child protection referral to children's social care because a child is suffering or is likely to suffer significant harm and if this needs to be undertaken immediately;

OR

- not to make a referral at this stage;
- and to undertake an assessment and/or make a referral to other services.

All information and actions taken, including the reasons for any decisions made, will be fully documented. Any referrals to children's social care will be accompanied by a standard referral form.

Recording and monitoring

Accurate records will be made as soon as practicable and will clearly distinguish between observation, fact, opinion and hypothesis. All records will be signed and dated.

All Child Protection documents will be retained in a 'Child Protection' file, separate from the child's main file. This will be locked away and only accessible to the Designated Safeguarding Lead.

Supporting the child and partnership with parents

- Ark Franklin recognises that the child's welfare is paramount and that good child protection practice and outcomes rely on a positive, open and honest working partnership with parents.
- While, on occasion, we may need to make referrals without consultation with parents, we will make every effort to maintain a positive working relationship with them whilst fulfilling our duties to protect any child, acting with the advice of the local children's safeguarding board as appropriate.
- We will provide a secure, caring, supportive and protective relationship for the child.
- Children will be given a proper explanation (appropriate to age & understanding) of what action is being taken on their behalf and why.
- We will endeavour always to preserve the privacy, dignity and right to confidentiality of the child and parents. However, no member of staff can necessarily promise confidentiality to any child who should make a disclosure of abuse. If it is felt that a child is at risk of harm or is being harmed, the Designated Senior Person has a responsibility to share this information with Social Care. In turn, the Designated Senior Person will determine which members of staff need to know personal information and what they need to know to support and protect the child.

If you, as parents, have any further questions about any of that which has been written above, you should contact Franklin directly; it is important to keep the channels of communication open between home and school. If you have any concerns about your child please come in to talk to us. In the first instance you should meet with your child's class teacher. If you feel that the situation is urgent, we would encourage you to see the Headteacher. If we have any concerns about your child, we will contact you at the earliest opportunity to arrange a mutually convenient time to discuss the situation with you. We would also be very grateful if you could keep us informed of any changes in circumstances or worries that your child might have at home, e.g. an ill grandparent, death of a pet etc. as we will then be able to support them whilst they are at school.

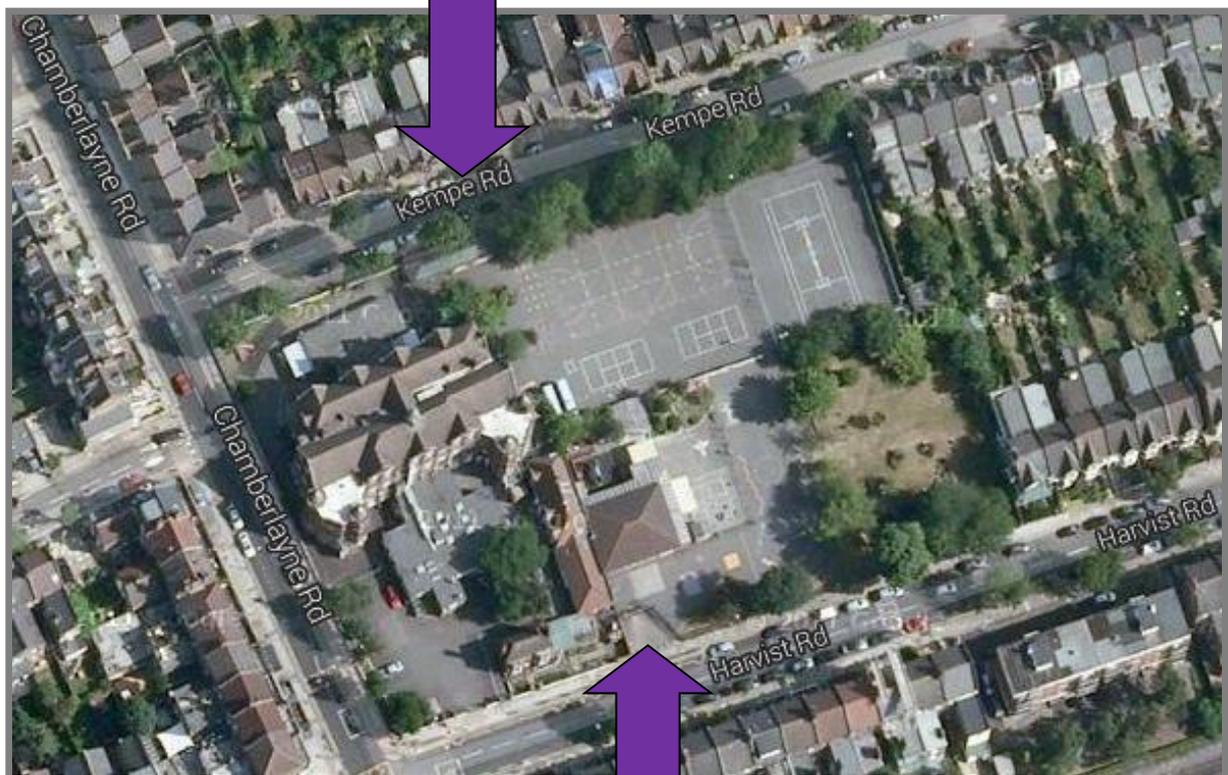

The Designated Senior Person responsible for Child Protection is Taljeet Sidhu.

A full copy of the policy can be obtained from the office.
