

## Communication and Language

### We are learning:

To explain our own thoughts and ideas and answer 'why' and 'how' questions. We are also learning to be able to listen whilst doing something else.

### You can help me at home by:

Asking lots of 'how' and 'why' questions and ask me questions about what I do.

## Personal, Social and Emotional Development

### We are learning:

To show sensitivity to other children's needs and feelings and explaining how we can be a supportive friend. We are also learning to listen to other people's ideas and find compromise.

### You can help me at home by:

Talking about how you are feeling and what has made you feel that way. You can also ask me what things make me happy or upset and how I can deal with my feelings.

## Understanding the World

### We are learning:

To explain how our lives are different from other people's lives, traditions and communities. To become more confident using different types of technology.

### You can help me at home by:

Talking about people from different communities, their families and traditions. Exploring different types of technology in and out of the home and letting me explore it.

# Ark Franklin Curriculum Map Summer Term 1 Reception Fairy tales

## Mathematics

### We are learning:

To compare length, weight and capacity of objects, grouping and sharing and doubling and halving. We will also be learning about time and reading the clock.

### You can help me at home by:

Talking to me about all these things and asking questions.

**Learning excursions:** We hope to visit Hackney City Farm to identify animals that we find in Fairy Tales.

## Outdoor learning

### We are learning:

To use our environment to extend our learning through observation, exploration and investigation.

### You can help me at home by:

Talking about plants and trees around me and encourage me to look grow a plant and see how it changes and grows.

## Expressive Art & Design

### We are learning:

To use water colours and wax and to create buildings using recycled resources.

### You can help me at home by:

Showing me how to build buildings or drawing with me. You can also play music and encourage me to represent the sounds I hear in dance.

## Physical Development

### We are learning:

To develop our throwing, catching and kicking skills whilst moving in different directions. Also to develop our small movement skills.

### You can help me at home by:

Playing ball games with me, encouraging me to catch, throw, roll, kick etc.

Encouraging me to practise forming my letters.

## Literacy

### We are learning:

To write full sentences with capital letters, finger spaces and full stops and use phonics to spell and use the words 'and' and 'because'.

To enjoy an increasing range of books and discuss what happened in stories.

### You can help me at home by:

Encouraging me to write sentences about my interests and taking me to the library to choose different books and then reading them with me.
