Year 2 Parent Booklet

This leaflet provides information for parents on the end of year expectations for children in our school. The National Curriculum outlines these as being the minimum requirements your child must meet in order to ensure continued progress.

All the objectives will be the focus of direct teaching; any extra support you can provide in helping your children to achieve these is greatly appreciated.

If you have any queries regarding the content of this leaflet, or want support in knowing how best to help your child, please talk to your child's teacher.

Reading

- Decode automatically and read fluently and accurately
- Read for meaning and self-corrects errors

Homewok

We expect **all children** to read **out loud** for **at least** 20 minutes per night with an adult. They should then log the page that they read up to in their reading record (pictured above) and write a brief comment about what they have read. Please sign this to indicate that you have read with them that evening.

Ten spellings will be sent home each week to learn. Please ensure that your child writes each spelling in a sentence in their spelling homework book.

Any extra homework may be set according to your child's individual needs.
