

Ark Franklin Primary Academy

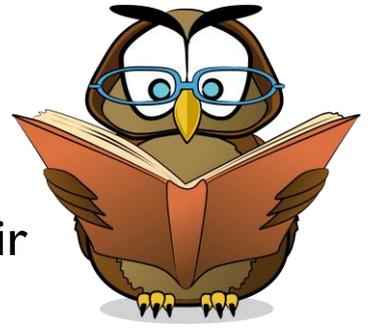

Year 6 Parent Booklet

This leaflet provides information for parents on the end of year expectations for children in our school. The National Curriculum outlines these as being the minimum requirements your child must meet in order to ensure continued progress.

All the objectives will be the focus of direct teaching; any extra support you can provide in helping your children to achieve these is greatly appreciated.

If you have any queries regarding the content of this leaflet, or want support in knowing how best to help your child, please talk to your child's teacher.

Reading

- Recommend a range of books they have read to their peers, giving reasons for their choices.
- Explain the meaning of words in context.
- Draw inferences e.g. of character's feelings, thoughts and motives, from their actions, and justify with evidence from the text.
- Predict what might happen from details stated and implied.
- Summarise the main ideas and identifies key evidence to support.
- Provide reasoned justifications for their views with awareness of audience.

Writing

- Use further organisational and presentational devices to structure text and to guide the reader (e.g. headings, bullet points, underlining)
- Create atmosphere and integrate dialogue to convey character and advance the action
- Use a range of cohesive devices, including adverbials, within and across sentences and paragraphs
- Show some use of semi-colons
- Maintain legibility, fluency and speed in handwriting

Mathematics

Addition

Add and subtract using negative numbers through zero

Use BIDMAS to identify the correct order of operations

Subtraction

Subtract a number with more than four digits (including decimals)

Multiplication

Multiply a four-digit number by a two-digit number

$$\begin{array}{r} \\ \\ \times \\ \hline \\ \\ \hline \\ \hline \end{array}$$

Division

Divide a four digit number by a two digit number

$$\begin{array}{r} \text{ r } 12 \\ 1 \ 5 \overline{) 4 \ 3 \ 2} \\ \underline{3 \ 0 \ 0} \\ \ 3 \ 2 \\ \underline{1 \ 2 \ 0} \\ \ 2 \end{array}$$

Fractions

Add and subtract fractions with different denominators

Multiply simple pairs of proper fractions

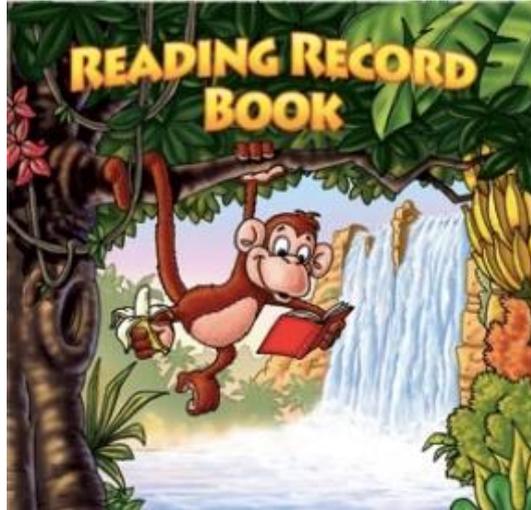

Divide proper fractions by whole numbers

Percentages

Find a multiple of 5% of a number

Find 1% of a number

Homework

We expect **all children** to read **out loud** for **at least** 20 minutes per night with an adult. They should then log the page that they read up to in their reading record (pictured above) and write a brief comment about what they have read. Please sign this to indicate that you have read with them that evening.

Twenty spellings will be sent home each week to learn. Please ensure that your child writes each spelling in a sentence in their spelling homework book.

Any extra homework may be set according to your child's individual needs.
