

## Ark Franklin Newsletter

11<sup>th</sup> December 2015

Dear Parents

What a wonderful evening we all had yesterday at our Winter Fayre. Proceedings commenced with a visit from the Mayor of Brent, Lesley Jones MBE, who opened the Fayre and joined our wonderful choir for a singsong in the Reception playground.

Cracker and Snowflake were definitely the stars of the show, the two amazing reindeer who flew in from Lapland to take up residence for the duration, I couldn't resist getting into the pen for a hug with Cracker after everyone had gone home.

If you did not manage to purchase your child's class tea towel with their hand drawn image on, don't worry, we will have them for sale at all the children's performances next week (apart from Y5/6 which will be at St John's). Otherwise, they are available from the school office each day at a cost of £5.00; they make a great gift.

Just a reminder, all classes will hold their parties next Friday, so if you wish to contribute some food, please send it in with your child on the day; no nuts at all please.

Have a good weekend.

Warmest regards  
Janine Ryan  
Headteacher

### Headteacher's thought for the week

The more we see, the more we are capable of seeing.

## Attendance

Our whole school attendance is 95.4% this week, there is still a significant way to go before we can hit our whole school target of 96%.

## Our Wonderful Tea Towels!

There will be no clubs next week and no after school club next Friday, 18th December...

Some more pictures from our Winter Fayre!
