New Year Roadworks...

Replacement water-works will be ongoing on Chamberlayne Road, **beginning 4th January, when the road will be closed between Buller Road and Banister Road junctions for about four weeks. Diversions will be in place, so please make sure you leave extra time for your journey if you travel from this direction.**

The works will then move further up and two-way traffic lights will be in operation. From the beginning of March there will be no access to both Harvist Road and Mortimer Road from Chamberlayne Road. More details on exact timing for this will follow in due course...
