

Franklin Times

19th May 2017

Dear Parents

The children have had a great week in the garden learning how to use flint firelighters and roasting marshmallows, while Otto has looked on.

Please contribute generously to next week's PTA bake sale and get registered and start getting your sponsorship forms filled in for our Fun Run on the 18th June.

I hope you have an enjoyable weekend.

Warmest regards
Janine Ryan
Headteacher

Headteacher's thought for the week

The more we see the more we are capable of seeing.

PTA Bake sale on Thursday 25th May: please get baking and bring contributions to the office by 1.30pm on the day.

The Foot to Foot Fun Run is returning on the morning of Sunday 18th June in Queen's Park, online registration is open, instructions and sponsorship forms are in your children's book bags today

Paddington's will not be open over the summer holidays this year due to building works, but will return in September; the last day will therefore be Thursday 20th July. Over the past few months I have spent time meeting with several providers of after school care and spoken to other schools about their offer. On the strength of this research and in an effort to provide an even better service than we do now, we will be using Let Me Play, an Ofsted accredited provider, from September. Not only will this allow for continued, consistent,

nurturing, high quality care for our children on our site, with all our current staff remaining in their positions, but it will have the added bonus of professional coaches coming in each day to run activities, from arts and crafts to football and dance. Further information will be given to current users of Paddington's in the ensuing weeks and LMP will also visit to speak parents in person.

Nursery and Reception intake for September 2017

Please note, that if your child is joining us in September we have induction meetings on the mornings of the 5th July for Reception and the 6th July for Nursery. At these meetings we will be giving you further information on start dates and times, the opportunity to ask any questions, to register an interest in our after school provision, and to order uniforms. We look forward to seeing you there.
