Headteacher's thought for the week:
What we see depends mainly on what we look for.

IMPORTANCE NOTICE REGARDING PERSONAL POSSESSIONS: I would like to draw to your attention that all personal possessions that are brought into Franklin, including mobile phones, are not the responsibility of the school. We do not encourage children to bring valuable items to school, and with regard to mobile phones, have said that only those children in years five and six who walk home alone have permission to bring one on site. After Easter, should your child bring a mobile phone to school they will be responsible for ensuring its silence and safety during the day, if we see any phones in use on site they will be confiscated for safeguarding reasons and only returned via the school office when a responsible adult comes to collect.
