Over the next two weeks children will also get to spend some time with their class teacher for next year. This will occur for most classes on Thursday 11th July, apart from East Anglia, who will meet their teacher this Monday and Nottingham who will meet theirs on Tuesday. A full list of classes and teachers will come home on next week's newsletter.

Please note that on Tuesday 9th July year six will be hosting their annual young enterprise initiative to raise funds for their leaver's party. For the past week they have formed small groups and set up their own business venture with £10.00 capital to invest in developing a product or service to sell to fellow students. Stalls will be set up in the playground, KS2 will visit during the afternoon, so please send them in with some money. The fair will remain open at home time for KS1, Reception and Nursery to visit with their parents. Last year the children raised £750 which they spent on hiring an outdoor disco dome, inflatable slide and slush puppy machine for their party.

Swimming will continue in September with Y3 going on a Tuesday and Y4 on a Wednesday; each class will go for a term.
