

ARK Franklin
Primary Academy

Franklin students leave Year 6 having...

ARK Franklin
Primary Academy

visited all of the key parks in London

learnt a musical instrument

met inspirational people

harvested our own lunch

performed to an audience

undertaken geography fieldwork

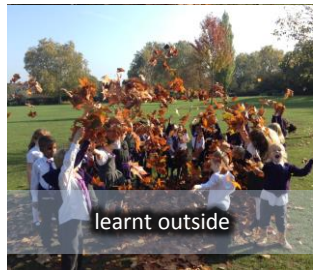

participated in competitive sport

visited key places of worship around London

organised and run our own event

learnt outside

sampled the history of London

pedalled for our lunch

built a fire

participated in a debate about issues affecting our world

laughed at ourselves

built and flown a kite

been inspired to read

taken part in a community event

designed and carried out scientific investigations

created and run our own business

nurtured new life

sampled and considered our future careers

taken part in a community fundraising event

analysed historical artefacts and sources

ARK Franklin
Primary Academy

Many minds, one mission
