1. Introduction

- i. Thank you for your interest in applying for a nursery place Ark Franklin Primary Academy, Harvist Road, Kensal Rise, London, NW6 6HJ. - ii. The admissions process for a place in the nursery is completely separate to the admissions arrangements for a place in Reception and the rest of the school. Nursery admissions are not included in the School Admissions Code 2014 and so are not subject to statutory requirements.

-

3. Oversubscription Procedure

If more applications are received than places available, places will be offered according to the following oversubscription criteria and order:

- a) 'Looked After Children' and children who have previously been a 'Looked After Child' but immediately following this became subject to adoption, a child arrangements order or special guardianship order¹.
- b) Children of staff at the school who occupy, or have been recruited to, a post where there is a demonstrable skill shortage. The Principal holds the final decision on an individual's eligibility for a place under this criterion. Children who, at the time of admission, have a sibling who attends the school.
- c) For this purpose, "sibling" means a whole, half or step-sibling or an adopted child resident at the same address.
- d) Children of staff in the school who have been employed at the school for two or more years at the time the application is submitted. The Principal holds the final decision on an individual's eligibility for a place under this criterion.
- e) Distance measurement - Priority will be given to those children who live closest to the school. The school will calculate **straight line distance** between the child's home and the main entrance to the school.

PLEASE NOTE: A child's home will be the address at which the child normally resides and which has been notified to relevant agencies (e.g. the Local Authority) as being the child's normal place of residence. Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of nursery admissions will be the one where the child spends the majority of school nights Monday-Friday.

- f) *Tie breaker:* If the school is unable to distinguish between applicants using the published oversubscription criteria, places will be offered via a random draw which will be supervised by someone independent of the school.
