

Morning Message from Miss Beckett

Well done to all Nursery children and Nursery families!

You have come to the end of your first week without school and a week in which you haven't been able to play with your friends.

I know that many of you have still managed to have fun, and I have certainly been impressed to see many examples of super work, and always look forward to seeing your photographs and videos.

I am so proud of the way you have all tried so hard with the different activities.

I think you should all give yourselves a **Rainbow Cheer** and I will give you one too!

Show your families how to do this.

I hope you all have a lovely weekend.

Literacy

If you have a copy of the story of **Goldilocks and the Three Bears**, please ask an adult to read this to you. If you don't have a copy of the book, there are many online animated versions of the story and Oxbridge Baby have a lovely version of this traditional tale.

<https://www.youtube.com/watch?v=0oUP2PFoOi8>

When you have read or watched the story, see if you can retell it to an adult in your own words.

Then try to act out the story. You could be Goldilocks or one of the bears. Ask your family to take on different roles too. You can have more than one part each!

Don't forget to use different voices for the different characters.

**I hope you have a lot of fun doing this activity!**

Mathematics

We are learning to compare sizes and to use words related to size.

**Big, enormous, huge, large middle-sized, medium-sized little, tiny, small, minute**

Draw some pictures related to the story and make the different sizes clear in your drawings.

Remember to hold your pencil correctly as you draw!

You could draw the bears, the bowls, the chairs or the beds.

Have a look in your home. Can you find a small, medium and large bowl?

Look at all your spoons. Can you find a small, medium and large spoon too?

Other Activities

Tomorrow it is **Layla's** birthday, so please remember to sing '**Happy Birthday**' to Layla as you wash your hands, and don't forget to give her four big claps!

We will celebrate **Layla's** birthday when we are all back at school.

Make sure you keep singing to keep your spirits up, and to cheer up those around you.

Do you remember the song, When Goldilocks Went to the House of the Bears?

If you can't remember it, you can watch it on this link.

<https://www.youtube.com/watch?v=PFXE3zvXbjc>

Sing the song to your family and teach them the words.
