Year 6 teachers

Writing

Now that you've all finished your wonderfully spooky and suspenseful Alma narratives, we are going to have a go at another genre today.

In [today's lesson](#), we are going to be writing a Police 'Missing Persons' Report. The **purpose** of our writing is to **inform the public of Alma's disappearance** and encourage them to come forward with any information they may have that would help locate her. To be successful, it is important that our **tone is formal** and that we **write in clear and concise sentences** that aren't overly descriptive.

Watch the video carefully to see what structure these reports should follow 😊

Challenge: You can use Word or PowerPoint to create an electronic version of your poster, which will also help you to import 'Police' badges and a photograph of the missing girl.

Reading

Good morning Year 6 and welcome to our final reading lesson of the term!

Today, we are going to answer our big question. Please ensure you watch the [video](#) carefully as both of your questions are in the video.

In today's lesson. We will be using our knowledge of ratio and proportion to change the measurements of different **recipes**! Please watch the video [here](#). The questions can all be found within the video, or if you prefer, you can access them on [the task sheet](#).

Well done for all of your hard work and effort this term! **+ 1000 dojos for you all** 😊
