

Morning Message from Miss Beckett

Good Morning Nursery

I loved seeing your spring pictures yesterday.
They were so colourful and made me feel very happy.
Here is spring story for you to enjoy.

Literacy

Today we are going to learn about the letter **k**.

The letter **k** makes the same sound as some words beginning with the letter **c**, but it is written in a different way. Watch how Squiglet writes the letter **k** and then you have a go.

Watch and listen to this story and see if you can spot all the different things beginning with the sound **k**.

Did you recognise the rhyming words in the story?

Mathematics

You have done lots of work at recognising and ordering numbers, and you have practised counting carefully, but today I would like you to practise **writing** the numbers.

Here is a song which will help you to do this.

Some numbers are easier to form than others, but I know you will put in lots of **effort** to try to write even the tricky numbers correctly.

Remember, just like when you try to form letters correctly, you don't have to practise your number formation by writing the numbers on paper, you can write them in the air, on someone's back, in sand, mud, shaving foam or indeed anything you can find.

Other Activities
