Morning Message

Good Morning Reception!

Today is Friday 15th of January.

It is the last day of home learning for the week, so let's put lots of effort into these activities. We hope you all have a restful and enjoyable weekend.

We miss you so much! Please remember, stay safe, stay healthy and keep washing your hands! 😊

Literacy

Click [here](#) to listen to Miss Houstoun reading our story 'Whatever next' by Jill Murphy.

Baby Bear wants to go to the moon and so searches around the house until he finds a rocket (a cardboard box), a space-helmet (a colander) and space-boots (his wellies). All set, he blasts off out of the chimney and into the night. Joined by an owl, Baby Bear soars high into the night sky until finally they reach the moon. Of course, when he returns to earth for his bath, his mother does not believe where he has been.

3, 2, 1... BLAST OFF!! You have worked so hard this week so let us have some fun. Could you act out the story with your family members? Which characters will you need to have? Will you use any props?

You can share your performance with your teachers on Seesaw, we cannot wait to see your trips to the moon!! Have fun 😊

Reading

WOW! Fred said you s-m-a-s-sh-ed it yesterday with the sound 'ay'. Great job Reception. Let's see how well you will do with today's sound. Watch your Phonics lesson [here](#).

Once you have finished the speed sound lesson, [here](#) is your reading text for today.

Don't forget, you can get a variety of books on the Oxford Owl website too.
www.oxfordowl.co.uk

Mathematics

Today in maths we are going to have one more go at counting on and writing numbers up to 20. You have worked so hard on this over the last 2 weeks so a big well done to all of you! Remember to think about your number formation and to point and count as you go. If you count to 10, don't forget to group it and count on!

For the challenge, you must say the number you see and then draw space objects to match the number.

Foundation Subject

Spanish

This is our second lesson on 'El Arca de Noe' - [Video Lesson Here](#)
Writing Worksheet and Colouring - [Here](#)

Question for the day

Riddle of the day:

I am full of holes, but I can still hold lots of water. What am I?

Find the answer on Monday's home learning sheet.

[Answer to yesterday's riddle: A piano](#)

Weekly Spellings

Last week you did so well with your spellings. Here are 5 more high frequency words for you to learn.
