

Reception

Tuesday 5th January 2021

Morning Message

Good morning Reception! Happy new year!
We hope you had a wonderful and restful break.

Remember to attend your class briefings on teams. Your morning briefing is at 9:30am and your afternoon briefing is at 2:50pm. We are really looking forward to seeing you online.

If you don't have a link, ask your adult to email info@arkfranklinprimary.org.

Don't forget to upload your work onto Seesaw daily. Your teachers cannot wait to see the learning that you will be doing.

Literacy

Last term we were learning how to write a perfect sentence using capital letters, finger spaces and full stops. Today we will be recapping on capital letters. Click [here](#) to watch your lesson. For today's literacy activity you must rewrite the sentences and put in the correct capital letters. Click [here](#) for today's literacy activity.

Don't forget to upload your work to Seesaw after! 😊

We have created an extra challenge on capital letters for you, click [here](#) and all will be revealed.

Phonics

This week in Phonics we will be recapping the special friends that we were learning last term. Let's start with 'sh.' The link to your Phonics lesson can be found [here](#).

Once you have completed the speed sound lesson, [here](#) is a text for you to practise reading.

Here is a useful website where you can find a range of age-appropriate books for your child to also read. If you create an account, you will be able to access the free e-books.

<https://home.oxfordowl.co.uk/>

Mathematics

This week we are learning to orders from 11-20. Today we will introduce the numbers from 11-20, have a go at ordering them and then create a number line that can be used for home learning. You may be as creative as you like with your number line, however make sure you check that all your numbers are in the correct order and that they are the right way around.

Parents, if your child finds the number formation more challenging you can ask them to tell you which number goes next and show them how to write it by writing it on another piece of paper, or you can 'dot' the number for your child to draw over. Please let them have a go themselves.

Reception

Tuesday 5th January 2021

Foundation Subject

This term in Topic, we will be exploring SPACE! I hope you're excited for this adventure into Space. Put on your space suit; space boots; space helmet and strap yourself into your rocket. We are taking off in 5,4,3,2,1.... BLAST OFF! Find your first lesson on Space [here](#).

Question for the day

Riddle of the day:

What has a face and 2 hands, but no arms or legs?

Find the answer on tomorrow's home learning sheet.

Weekly Spellings

We challenge you to learn the spellings of these five high frequency words. Get your parents to help you.

He
She
My
