

Reception

Thursday 7th January 2021

Morning Message

Good morning Reception! 😊

It has been so lovely seeing all your beautiful faces in the morning and in the afternoon. Your work on Seesaw has been fantastic and we love that you're all still working so hard and still really engaged with the lessons.

Writing

Wow! We are so proud of everyone's amazing sentence writing yesterday- and well done for remembering your finger spaces! Today we will be focusing on full stops. Click [here](#) to watch your lesson and click [here](#) for your worksheet 😊

Don't forget to share your work with your teachers on Seesaw!

Reading

You're doing such an amazing job at practising your sounds Lets practise 'ch' today. The link to your Phonics lesson can be found [here](#).

Once you have completed the speed sound lesson, [here](#) is a text for you to practise reading.

Here is a useful website where you can find a range of age-appropriate books for your child to also read. If you create an account, you will be able to access the free e-books.

<https://home.oxfordowl.co.uk/>

Mathematics

We loved seeing your look, trace, write yesterday, there has been some great pencil control being displayed and fantastic number formation!

To continue with our work on numbers 11-20 today you will be filling in the blanks on a star number line. Remember which digit goes first with your teen numbers and that 20 begins with a 2.

Watch the lesson [here](#) and click [here](#) for the task.

Reception

Thursday 7th January 2021

Foundation Subject

Science

Boys and girls, today we are going to explore the concept of floating and sinking. Watch this short [video](#) explaining the concept of floating and sinking: Find an empty large bowl in your house and fill it with water. Find 4 different objects in your house and guess whether they will sink or float.

Miss Houstoun tried an onion, marker, sharpener and a marble.

Click [here](#) to see her example.

After you have guessed whether the item will float or sink, drop the object in to find out the result.

Question for the day

Riddle of the day:

I am hot and I live in the sky. I'm bright so you can't look at me directly. I disappear at night.
What am I?

Find the answer on tomorrow's home learning sheet.

[Answer to yesterday's riddle: a towel](#)

Weekly Spellings

We challenge you to learn the spellings of these five high frequency words. Get your parents to help you.

He

She

My
