

# Reception

Monday 11<sup>th</sup> January 2021

## Morning Message

Good morning Reception!

We hope you all had a fun weekend! 😊

Today it is Monday the 11<sup>th</sup> of January.

It was so great to see so many of you engaged in the home learning tasks last week. We hope it will be the same again this week and do not forget to upload your fantastic pictures onto Seesaw.

Stay safe, stay healthy and keep washing those hands!

## Writing

Last week you all worked so hard on your sentences writing Reception and we could not be prouder of you all!

Our story for the week is called "Whatever next?" by Jill Murphy.

Today we are learning about making a list. Pretend you are going to the MOON! What would you like to bring with you? Click [here](#) for today's lesson and you can see what Miss Houstoun would like to bring to the moon with her. Once you have planned about what you are going to bring to the moon, click [here](#) to learn how to write a list. Make a list of the 4 things you would like to bring with you and share your list with your teachers on Seesaw.

(Apologies adults about two separate videos today, Miss Houstoun had technical difficulties)

## Reading

This week we have some more recap sounds. Let's start with the sound 'ng.' Let's see if you can impress Fred today with your reading. Watch your Phonics lesson [here](#).

Once you have finished the speed sound lesson, [here](#) is your reading text for today.

Don't forget, you can get a variety of books on the Oxford Owl website too.

[www.oxfordowl.co.uk](http://www.oxfordowl.co.uk)

## Mathematics

"10, 9, 8, 7, 6, 5, 4, 3, 2, 1....Ms Houston we have a maths problem!" Today boys and girls we will be making our very own rocket pictures. But you must decide what number to 20 your rocket has on it and then match that number to the amount of stars in the sky behind it. Ground control says "Let's get counting!"

## Foundation Subject

### Music

In music this term we will be learning about a piece of music called *Mars*. [Here](#) is Miss Webster to tell you all about it.

[Track 1](#)

[Track 2](#)

And [here](#) is your worksheet! I can't wait to see your work on Seesaw!

## Question for the day

Riddle of the day:

**What must be broken before you can use it?**

Find the answer on tomorrow's home learning sheet.

[Answer to Friday's riddle: A ball.](#)

## Weekly Spellings

Last week you did so well with your spellings. Here are 5 more high frequency words for you to learn.

The  
And  
Said  
Of  
You
