

Reception

21/01/21

Morning Message

Good Morning Reception!

Today is Thursday 21st of January.

We have very much enjoyed seeing your uploads to Seesaw. You all have put so much effort your home learning! We are so proud of you Reception 😊

Remember, stay safe, stay healthy and keep washing your hands 🧼

Writing

Click [here](#) to watch a video about the sun and the moon.

What super work yesterday where you thought of lots of adjectives to describe the sun. Again, you had better ones than Miss Houston!!

For today's lesson, we would like you to write a sentence (or two if able) describing the moon and describing the sun.

Click [here](#) to see Miss Houston showing you how to complete the worksheet. Once you have watched Miss write her sentences you can click [here](#) to see your worksheet.

Reading

Good job with the sound 'oo' yesterday. FRED hopes you're ready for another sound. Don't forget to underline your special friends. Watch your Phonics lesson [here](#).

Once you have finished the speed sound lesson, [here](#) is your reading text for today.

Don't forget, you can get a variety of books on the Oxford Owl website too.

www.oxfordowl.co.uk

Mathematics

We have decided that because you are so good at finding your number bonds that today you will find bonds for numbers from 1 all the way to 5! Today's challenge however, is to find different number bonds for the same number. For example, I know that 2 and 1 make 3 but also that 3 and 0 make 3. Can you find lots of different number bonds for numbers up to 5?

Click [here](#) to watch the lesson and [here](#) to see your task.

Foundation Subject

Science - Dish soap and black pepper experiment

This experiment will teach us about surface tension. You will need: a bowl, water, black pepper and dish soap. Watch Miss Quadry's video [here](#). Do the experiment as you are watching the video, so you can make real time predictions. Show us your findings on Seesaw.

Question for the day

Riddle of the day:

I have a head and a tail, but no arms and no legs. What am I?

Find the answer on tomorrow's home learning sheet.

Answer to yesterday's riddle: A doughnut

Weekly Spellings

Here are 5 more high frequency words. Don't forget to get an adult to test you at the end of the week.
