Morning Message

Good Morning Reception!

Today is Friday 22nd of January.

It is the last day of home learning for the week, so let's put lots of effort into these activities. We hope you all have a restful and enjoyable weekend.

We miss you so much! Please remember, stay safe, stay healthy and keep washing your hands!

Literacy

You have worked so hard this week, so let us have some fun. Today we are going to do an adjective show and tell. I want you to find your favourite toy and describe it using as many adjectives as you can think of. You could even write a list of the adjectives if you want!!

You can share your show and tell videos with your teachers on Seesaw, we cannot wait to hear all the different adjectives that you use!! Have fun 😊

Reading

Good job with the sound 'oo' yesterday. FRED hopes you're ready for another sound. Don't forget to underline your special friends. Watch your Phonics lesson [here](#).

Once you have finished the speed sound lesson, [here](#) is your reading text for today.

Don't forget, you can get a variety of books on the Oxford Owl website too.

Mathematics

Brilliant number bonds everyone! Today you will use your new number bond skills to work out the answers to some maths questions.

Watch the lesson [here](#).

You can use your number bond machines to help you or you can use the robots on the sheet [here](#).

Remember when adding you should start on the bigger number and then count on.
