Morning Message

Good Morning Reception!

Today is Friday 29th of January.

It is the last day of home learning for the week, so let's put lots of effort into these activities. We hope you all have a restful and enjoyable weekend.

We miss you so much! Please remember, stay safe, stay healthy and keep washing your hands! 😊

Literacy

What super work yesterday where you thought of lots of adjectives to describe the little alien.

For today's lesson, we would like you to write a sentence (or two if able) describing the alien and describing the underpants.

Reading

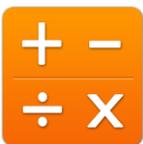

You have smashed the recaps with Fred. He has one last challenge for the week. Will you be able to beat the challenge? Watch your Phonics lesson [here](#).

Once you have finished the speed sound lesson, [here](#) is your reading text for today.

Don't forget, you can get a variety of books on the Oxford Owl website too.

Mathematics

Magnificent minuses boys and girls! I am so impressed with all your work 😊
Today we thought we would make it extra tricky and ask you to do addition and subtraction all in one day? Can you do it? Of course you can!

Watch today's lesson [here](#).

Make sure you have some objects ready to help you add and take away and be careful not to mix up the symbols. Are you ready?
