Mathematics

Today in maths you will be learning how to add ones using your number bonds on numbers between 11 & 20. For this you will need something to represent the number (lego, pasta, cubes etc.) Watch the [link](#) here for support and here is your [worksheet](#).

Challenge – You have been using your numbers bonds today. How many of your number bonds can you write out? Can you find them for 1,2,3,4,5,6,7,8,9,10?

Eg. 4 (1+ 3 2+2 0+ 4)

For an extra challenge why don't you pick a number between 11 and 20 and write out its number bonds
