

Year 1

Thursday 4th February 2021

Morning Message

Good morning year 1 and welcome back to more home learning! We have been AMAZED by your work so far, you are all star pupils!

Our optional art project this week is making a paper sculpture. [Here](#) are the instructions!

Don't forget to attend your class meetings on teams! Your **morning briefing** is from 09:00-09:20 and your **afternoon briefing** is from 14:30-14:50. If you don't have a link, ask your adult to email info@arkfranklinprimary.org.

Writing

This week you will be changing parts of the story. Today you will be writing your **resolution** and you will be learning how to write a **question and a response**. You will be innovating 'said' and adding **adjectives** to describe your new animals.

[Click here](#) for the video.

Reading

Today's sound is: **ow – Brown cow!** Have a go [here](#).

15mins Reading: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Just register and enjoy... **FREE eBook Library from Oxford Owl for Home**. All their eBooks are tablet-friendly.

Mathematics

Today in maths you are learning to recognise and predict the patterns of the 2's, 5's and 10's using a number grid. You will be exploring the counting sequence of these numbers and then also using this to find numbers of this sequence higher than 50. Are you up for the challenge?

You will also explore the number pattern of the 5's, 2's and 10's in a sequence don't forget to check if the sequence is going forward or backwards. This sequence might go higher than 50 too! Watch the [link](#) for support and [here](#) is your task sheet.

Challenge – See if you can answer [the true and false questions](#) around our numbers counting in 2's, 5's and 10's.

Year 1

Thursday 4th February 2021

Foundation Subject

Spanish

Today you will be correcting Mr. Bell's writing errors in our food conversations.

[Video Lesson – Here](#) [Help & Task Sheets - Here](#)

Outdoor Learning

This week we are learning about fish and amphibians. The video link is [here](#).

Question for the day

Yesterday's answer: The largest dinosaur ever was called the Patagotitan. Discovered in 2014, a 100 million-year-old Sauropod dinosaur. A member of the Sauropod family which also included the Diplodocus and the Brachiosaurus they are known for their large bodies and long necks and tails.

So, you know your dinosaurs? **Can you name a dinosaur that flies?**
