Just register and enjoy... **FREE eBook Library from Oxford Owl for Home.** All their eBooks are tablet-friendly.

Mathematics

Today in maths you are looking clockwise and anticlockwise turns you are going to learn what these directions are and apply it to quarter turns. Using the knowledge of quarter of a shape to support this. You will be able to use an object at home to try and find these turns and direct Miss Banfield. You will then be able to identify correctly placed objects that have either made a quarter clockwise turn. Or a quarter anti-clockwise turn.

Watch the [link](#) for support and [here](#) is your task sheet.

Challenge – What happens if we turn a quarter turn and then a quarter turn again. What is that the same as? Can you show examples of this with objects in your house?

Art Competition

Young Artists' Summer Show...

Ark Franklin are going to be entering the Royal Academy of Arts Children's Art competition. The Young Artists' Summer Show is a free, open submission exhibition for young artists aged 5 - 19 years studying in the UK and British schools overseas. If you would like your child to take part, please upload your child's artwork on Seesaw before the 4th of March). By uploading your child's work you are giving consent for it to be submitted into the competition. The submissions will then be judged by a panel of artists and arts professionals with selected artworks displayed online and on-site at the Royal Academy of Arts.

Please note: -You can submit 1 artwork per student. -You must include a title and a short description. For further information please watch Miss Banfield's [video](#) in Thursday's Home Learning page.

Thank you for your interest in the Young Artists' Summer Show and good luck with your submissions!
