

Year 1

Friday 26th February

Morning Message

Welcome to British Values Day!

Please watch Miss Baldwin's introduction [here](#).

Today will be split in to three lessons, each taught by a different Year 1 teacher.

Miss Fernandez is going to be teaching about **Health and Safety**.

Miss Banfield will be teaching about **Emergency Services**.

Miss Bayney will be teaching about **Public Services and their roles in society**.

ARISE Values

In your afternoon briefing your teacher will be asking you about what the ARISE values mean to you and how you can show them in our community. Be ready to be called upon!
You can watch a very short clip of Miss Baldwin, [here](#), to give you some ideas.

Our values form the acronym **ARISE**; this stands for **Achievement, Respect, Integrity, Support and Effort**. These characteristics are what we believe all children need to become the best they can, achieving life-long success.

Health and Safety

Today you will be learning about **health and safety** in school. Watch lesson [here](#).

Independent Task: Today you will be creating a poster about health and safety. Please don't forget to upload to Seesaw as I will be choosing the best ones to display in the playground.
[Here](#) is the poster.

Emergency Services

Today you will be learning about the **Emergency Services** and what to do in an emergency situation. Watch the lesson [here](#). Don't forget to get yourself a pen and paper for the quiz at the end of the video.

Public Services and their role in society

Today you will be learning about the public services and their role in society. [Click here](#) to watch the video.

Independent task: Choose one person from the public services and create a poster all about the qualities they must have to complete their role in society.

Click [here](#) for template.

Foundation Subjects

Music

Today in music we are starting our new project about the piece of music called *In the Hall of The Mountain King*. You are going to need some art supplies! [Here](#) is Miss Webster to tell you more 😊
[Here](#) is the track to listen to while you are doing your artwork.
