

Morning Message

Good morning! The weekend has finally arrived Year 2. We hope you enjoyed your homelearning this week and had fun coming to spend some time with your class. Have great weekend!

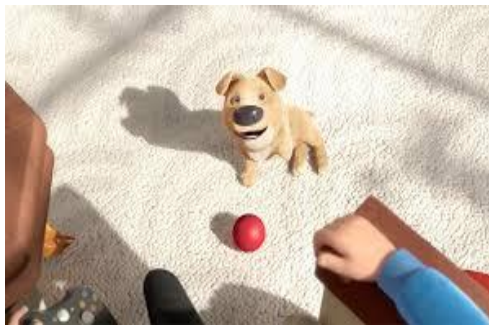

This week's appreciation assembly can be watched [here](#).

Riddle answer: five and four make nine.

Today's riddle: What travels around the world but stays on one spot?

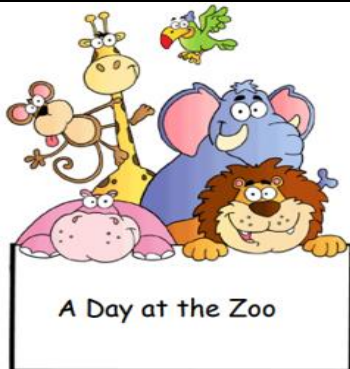

Writing

In writing today, you will be writing your second diary entry after getting to know your new pet dog a little better.

Write your next diary entry [here](#).

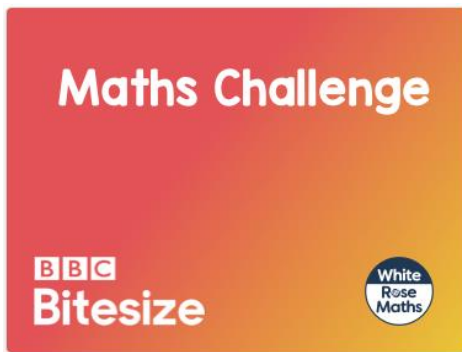

Reading

Today's comprehension is based on an extract call A Day at the Zoo.

The comprehension can be found [here](#)

Mathematics

Summer Week 11.

Carry out the challenge - [Here](#)

Then carry out today's brain buster - [here](#)

Year 2

Friday 10th July

ARK Franklin
Primary Academy

ARK Franklin
Primary Academy

Computing To Dos

Go to: Purple Mash > Games > Chicklets

Play the **Making Interesting Phrases** game and try to beat the timer!

Remember to stay safe online whenever you are playing games online. See how you can do that - [here](#).

Subject Specific

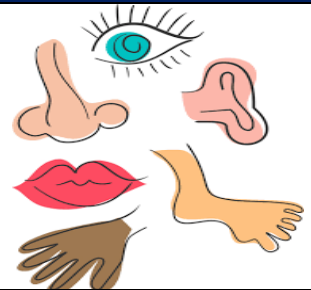

We hope you enjoy this week's DT task where you will become robots!

Find out how- [here](#).

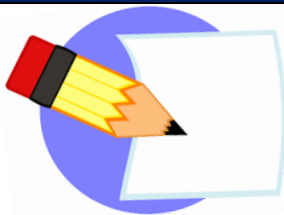

Question for the day

If you had to be a body part, what would it be? Why?

Weekly Spellings

It's test day!

Get your pen and paper ready. Now ask an adult to test you.

[Here](#) is your spelling list.
