

Year 2

Thursday 14th May

Morning Message

Good morning Year 2! Happy Thursday! We want you to listen to a new song today. How does it make you feel?

Riddle answer: 18 (the English alphabet)

Today's riddle: I am a multiple of 10 and 8. My digits add up to 4. Who am I?

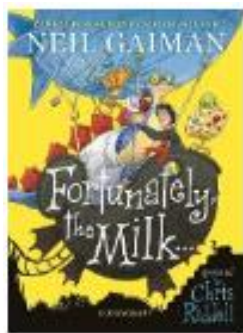

Writing

because

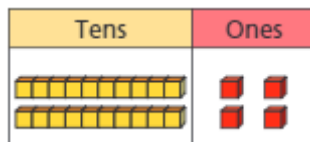

Complete the worksheet on using subordinating conjunctions.

Reading

Your comprehension today is on 'Fortunately, the milk' by Neil Gaiman - [Here](#)
EXT: Create your own question

Mathematics

Summer Week 4, Day 4. Watch the Video [Here](#) and complete the 'Bonds to 100' worksheet - [Here](#)

You can check your answers [Here](#).

Then carry out today's brain buster - [Here](#)

Computing To Dos

Computing

Today we are going to use MashCams about our learning of Christopher Columbus.

Go to PurpleMash > Tools > Mashcams

Select Christopher Columbus. You can take a picture of yourself as Christopher. In the text box, write a diary entry as though you are Christopher Columbus and you have just landed in America. Post a screenshot of your diary entry to SeeSaw!

Subject Specific

History

In history, we want you to cut and place some of the key events of Christopher Columbus's life in chronological order. With CE years, the higher the number the more recent it is. The year 50^{CE} happened before the year 150^{CE}. [Lesson - Here](#)

Complete the [quiz](#) too

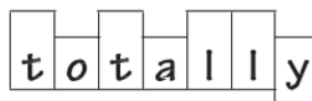

Question for the day

What are two simple acts of kindness you could do every day?

Weekly Spellings

Practise your spellings by writing them out and then drawing around them to show ascenders and descenders. See below. Make sure you look at the shape of the word after.

key, donkey, monkey, chimney, valley, trolley, journey, turkey, jockey, kidney
