

Morning Message

It's the weekend! We are sure you are all looking forward to relaxing this weekend. Thank you for all your effort this week and for uploading your work onto *Seesaw*. Enjoy your half term and try to get as much sunshine as possible!

Riddle answer: Monkey see monkey do.

Today's riddle: How can you make seven even?

Writing

Watch the video of the clock tower [here](#) again.

Today we want you to write the problem, resolution and ending.

Remember to read through and edit your work as you go

It's time to find out about how Neil Armstrong became an astronaut. This is the last space comprehension of the week. We hope you enjoyed reading the non-fiction texts.

Mathematics

Summer Week 5, Lesson 5.

Carry out the Friday Maths Challenge - <https://whiterosemaths.com/homelearning/year-2/>

Then carry out today's brain buster - [Here](#)

Computing To Dos

Today we are playing a Maths game! Go to:

Purple Mash > Tools > 2Race > Addition and Subtraction

Play:

1. Addition up to 100
2. Subtraction up to 100

Subject Specific

Falling Slowly

Can you imagine flying? Whizzing through the air, seeing all the land below you? Well humans havent quite figured out how to fly like a bird yet. BUT we do know how to fall. In fact some people love falling through the air so much they they made it into a sport – skydiving.

[Find out more - Here](#)

Music

Composer of the Week – Leonard Bernstein

Question for the day

What three things would you like to do this summer?

Weekly Spellings

It's test day!

Ask an adult to test you on your spellings.

How many did you get correct?

Want, watch, wander, warm, wall, quad, wasps, quantity, squash
