If you don't have a link, ask your adult to email info@arkfranklinprimary.org.

Writing

Please start the lesson by practising your actions [here](#).

Please watch Mr Wernick's [video](#) on writing the appearance.

You can write each step to success one at time, or write the whole appearance section in one go – it is up to you 😊

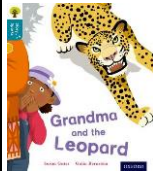

Steps to Success

Describe her eyes, hair and skin.

What clothes is she wearing?

Explain something surprising (Although...).

Reading

Today we continue our story 'Grandma and the Leopard' and practice inference questions. Watch the lesson [here](#) and find the [tasksheet here](#). 😊

Mathematics

Today we will be using **an alternative method of adding**. Instead of using the tens and one's method that you are used to, we will be adding by partitioning. This strategy is more challenging, however, it is important for you to have a range of methods to choose from when calculating.

The video is available to watch [here](#).

The task sheet can be found [here](#).

The challenge sheet can be found [here](#). It is not a requirement to complete this task!

The daily fluency sheet can be found [here](#).

Geography

**Today we are learning to compare housing in India with housing in London.
We will create a fact file full of information!**

Watch the lesson [here](#) and find the [tasksheet here](#) - (this is not essential, and you can make your own).

Question for the day

If you could meet any fictional character, who would it be and why?
