

Morning Message

Happy Wednesday! We hope you have had a balanced breakfast and are ready for a day full of learning.

Remember to attend your class briefings on teams. **Your morning briefing is at 9am and your afternoon briefing is at 2.30pm** We are really looking forward to seeing you online.
If you don't have a link, ask your adult to email info@arkfranklinprimary.org

Please watch Mr Wernick's assembly [here](#).

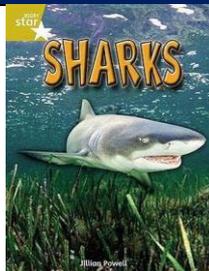

Writing

Today, you are going to be learning about **adverbs** and then using them in your writing. It's time to write the problem section of your Cinderella story. Watch the video [here](#).

Remember to tell the reader:
What happened when Cinderella arrived?
Who did she meet and fall in love with?
Why does she leave?
What did Cinderella leave behind?

Reading

Today we are going to be reading about sharks! Get ready to learn and apply some new vocabulary.

Today's worksheet can be found [here](#)

Along with the video [here](#).

Mathematics

In maths, we are going to be sequencing events and understanding when we do different activities in the day. Please watch Mr Wernick's video [here](#) and the complete [this worksheet](#).

There is a [challenge here too](#)! Can you create your own sequence by writing down 4 events in the day?

Foundation Subject

PE

Today, Miss Evans is going to take you through a warmup, main activity and cool down. We hope you enjoy exercising along with her. Try and find a space to do a hop, skip and a jump! Click [here](#) for the video. 😊

Question for the day

Yesterday's answer: *His brother is 10. Half of 8 is 4, so Grant's brother is 4 years younger. This means when Grant is 14, his brother is still 4 years younger, so he's 10.*

You'll find me in Mercury, Earth, Mars and Jupiter, but not in Venus or Neptune. What am I?
