

Morning Message

Morning Year Three! We loved sharing your work on See Saw – we're so impressed with your uploads – keep them coming! What have you been enjoying most so far? And perhaps keep a diary yourself during lockdown? It would be an interesting account to look back on when you're older!

Remember to attend **your morning briefing at 9:30 and your afternoon briefing at 2:50** – it's so nice getting to see each other daily!

If you don't have a link, ask your adult to email info@arkfranklinprimary.org.

Did you know... this day in history?

1785: Explorers Jean-Pierre Blanchard and John Jeffries travelled from Dover, England, to Calais, France, in a gas balloon, becoming the first to cross the English Channel by air!

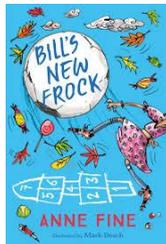

Writing

We'll be continuing our work on past tense today – now moving onto the Progressive Past Tense – this is when the action is still continuing.

Reading

Today we'll be answering Inference Questions on Bill's New Frock – this is when the answer isn't literally in the text but requires thinking based on the character's feelings, intentions or based on our wider understanding of what we've read.

Mathematics

Today's Maths lesson will build on yesterday's lesson on unit fractions. You can find the lesson [here](#) and your task is [here](#). If you would like a challenge, you can also find it [here](#).

We are also going to start daily Arithmetic work: today's work and answers from the previous day can be found [here](#).

Computing

Our new unit this term is simulations. This lesson will focus on what simulations are.

A computer simulation is a program that models a real-life situation. They let you try things out that would be too difficult or dangerous to do in real life.

You can watch the video lesson [here](#).

The independent task has been set as a '2Do' on the Purple Mash website, which you can access [here](#).

Question for the day

What target are you going to set yourself this lockdown?

Miss. Choudhry's is to read a book a week! Let us know yours during our meetings on Teams :)
