

Morning Message

Morning and well done on your final day of your first week of home learning (Pt.2!) We're so pleased with your best efforts and positive attitudes – you all deserve a lovely weekend break. Take care, wrap up warm(!) and we will see you all bright and early on Monday.

Remember to attend **your morning briefing at 9:30 and afternoon briefing at 2:50 - don't be late** 😊

Did you know... this day in history?

1946: Elvis Presley – the famous rock and roll musician who sang hits such as 'Jailhouse Rock' and 'Blue Suede Shoes' received his first guitar!

Writing

Today we will be looking at developing our sentence structures using **subordinating clauses**. These give our sentences more detail - great for diary entries!

Watch Miss. Choudhry's video [here](#)

You can find your Do Now [here](#) and Independent Task [here](#)

Reading

Today in Reading we will be looking at our Big Question. Each week, we look at an idea linked to our text and think about different points of view for that questions. Watch the lesson [here](#). Your Do Now and worksheet for the lesson can be found [here](#). Remember when you are writing your paragraph to provide evidence from the text for your opinion!

Mathematics

It's a fabulous Friday full of fractions! We are finishing this week looking at unit fractions of quantities: click [here](#) for the lesson and your independent task can be found [here](#). Some extra Reasoning challenges can be found [here](#).

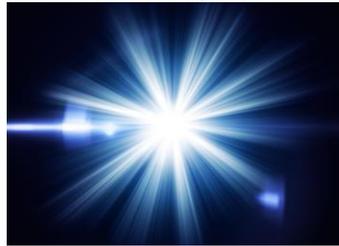

Remember to complete our daily Arithmetic questions: click [here](#) for the link. Several children have also asked for the link for the Daily 10 game to test times tables: please click [here](#) for the link. [Here](#) is a short video from Mrs Turley explaining how it works.

Foundation Subject

I'm certain that our new science unit will light up your world! If you haven't yet guessed, we will be studying light! In this lesson you will be examining various light sources and categorising them into natural or man-made sources. You will also have the chance to compare several light sources. By the end of this lesson, you should all be able to identify the different light sources around you.

The video for today's lesson can be accessed [here](#).
You can also access the video clip with sound [here](#).

The Do Now sheet can be found [here](#) and the independent task can be accessed [here](#).

Question for the day

If you make friends with a character from a story – who would it be and why?

We look forward to hearing your ideas in our afternoon meeting!

Weekly Spellings

Today's the day! Ask an adult to test you on your spellings! What did you get out of 10?
