

### Morning Message

Good morning Year 4! Today, it's 'National Umbrella Day' (as it is most days in England 😊). Did you know that the largest rainfall in one day occurred in Réunion Island, in the southern Indian Ocean? There was 1.825 metres of rainfall over 24 hours, from January 7 to 8, 1966.

**Joke of the day:** How does a penguin build its house?  
*Igloos it together!*

Best of luck with all of today's lessons and we look forward to seeing you in the class briefings.

### Writing

Let's finish our Edward Tulane chapter today! You can find your lesson [here](#).

Once you have written it, read your WHOLE story to someone and ask for feedback. Do they like your story? Does it make sense?

Upload the whole story on to Seesaw for us to see 😊

### Reading

Today, we will be reading *Choosing a Bike* which helps readers decide what sort of bicycle is most suitable for them.

For the text and questions, click [here](#).

To watch today's video with Mr Parker, click [here](#).

### Mathematics

Today we will complete our end of unit review.

Find the video [here](#) and the questions [here](#). The answers today are all in the video.

Good luck 😊

Foundation Subject

**Outdoor Learning**

This week in outdoor learning, we are looking at the different types of camouflage. The video link is [here](#).

**Spanish**

This is our last lesson before half term.

We are going to have some fun!

We are going to do some revision with a 'Who wants to be a millionaire?' quiz.

[PowerPoint Quiz – Here](#)

Question for the day

Would you rather live in space or under the sea? Why?

Weekly Spellings

**Picture and a story**

For each of your spelling words can you draw a picture that shows the meaning of the word. For example, for the word 'invention' you could draw a mad scientist inventing something

Then, write a sentence that matches your picture and uses the word.

*The mad scientist marvelled over his invention*
