Why Noah Chose the Dove

This story tells of an argument between all the animals as to who should go on Noah's Ark. It's a wonderful tale which teaches us modesty and celebrates the need for a strong and cooperative community.

Anne Frank

Today we will be learning about a Jewish girl called Anne Frank. We can learn a lot from Anne Frank's life. Despite the hardships of her life, Anne Frank kept a positive attitude. We will be reflecting on the impact of prejudice and the lessons we can learn from Anne Frank's experiences in World War II.
