

Morning Message

**Dobray Ranitsy! (Belarusian)**

We hope you have made a great start to the week! Following the snow fall we received at the weekend: have you ever been to a Snow Festival? You can find them in many countries (that receive snow in the winter-time), but one of the most famous is in China, in the city of Harbin. At the Harbin Snow Festival, you can see incredible structures and sculptures all made from... SNOW & ICE! Take a look [here](#). Enjoy!

Writing

Today you will be starting a new unit. How exciting!

For the next few weeks, we are going to be writing advice letters. And not just any advice letters; they are going to be advice letters to pets!

In this lesson you will be finding the features of an advice letter and magpie-ing words. Find the lesson [here](#).

Reading

Good morning to all you wonderful readers! Find today's lesson [here](#), where we will be doing some paired reading and looking at a range of question types 😊 Find the text [here](#) if you would like to use it to support you!

Mathematics

Good Morning, Mathematicians!  
Are you ready for more fractions?

Yes? FANTASTIC!

Today, we will be adding and subtracting fractions with the same denominator [here](#).

Have fun!

$\frac{1}{4}$	$\frac{1}{4}$
$\frac{1}{4}$	$\frac{1}{4}$

$$\frac{1}{4} + \frac{1}{4} = \frac{2}{4}$$
