

Morning Message

Shubh Prabhat, everyone! (Hindi)
Happy Fri-yay, Year 5!

Fancy a giggle?
So do I... take a
look at some
[hilarious pictures](#) of
nature to lead you
into a super
weekend ahead!

Writing

In this lesson, you will be starting your advice letter to a cat who has a big problem: they keep getting put into their owner's bag!

We really want to see informal and conversational language today (whilst maintaining a professional tone) as you reassure them.

Please see your lesson [here](#) and the supporting vocabulary and typed up model [here](#).

We can't wait to see your purrfect writing! 😊

Reading

Happy Friday Year 5! Today we are doing another non-fiction text! The lesson is [here](#) and the text to support you is [here!](#)

Mathematics

Morning, Year 5!
Reading to multiply
fractions with whole
numbers?

Great!
Let's get started
[here](#).

$$\frac{1}{4}$$

$$\frac{1}{4} \times 5 =$$

Foundation Subjects - Music and Computing

Music

This is our LAST lesson of learning "Firework" today! [Here](#) is Miss Webster to show you the last little section.

[Here](#) are the lyrics! [Here](#) is the backing track!

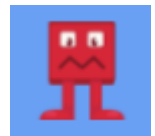

Computing

Today you will be developing your games further by adding in prizes and baddies.

Click [here](#) for the lesson which will guide you through how to do it 😊

If you finish early, why not brush up on your typing skills with this additional [activity](#). If the link does not work, then simply type in '2type right hand keys' on Purple Mash 😊

Question for the day

You're outside for the whole day (sunrise to sunset). What do you do?

Weekly Spellings

It's Friday so it is time to take the [test](#). Don't forget to self-mark and upload your score to Seesaw 😊
Good luck!
