

### Morning Message

Jó reggelt Year 5! (Hungarian)  
We have been so impressed with your home learning efforts; you are all truly out of this world! Speaking of which, why not start your day by finding out a bit more about the stars and galaxies on the DK Find Out website [here](#). Remember that we'd love to see your questions for Marcus Sedgwick, so please make sure to keep posting them on Seesaw.  
Have a great day everyone 😊

### Writing

Good morning everyone!

Today you will be giving another solution in your advice letter!

Please find the lesson [here](#) and your supporting vocabulary [here](#).

### Reading

Good morning radiant readers! Find today's lesson [here](#); task sheet [here](#) and do now [here](#)! Today, we would like you to record yourself reading some of the extract and post it on seesaw so that we can hear your lovely reading voices as we miss hearing them so much when we're not in class together! Should you need the text, it is [here](#) 😊

### Mathematics

5  
-  
9 of 99

Good Morning, Year 5!

Three quarters of the whole year group will read this message before 9am.

How many will read it before 9am?

Let's look at today's lesson to calculate fractions of quantities to work it out!

[Lesson](#); [Questions & Answers](#)

Foundation Subject-Geography

Today we are continuing our study of climates and biomes! Watch this short introductory [video](#) to biomes first (it's worth it) and then complete the lesson [here](#)! If you would like to print the do now, you can find it [here](#)

Question for the day

What is the first thing you will do once lockdown is over?  
(Thanks to Mila in Limerick for sending in that question!)

Weekly Spellings

Words with 'ie' after c

Continue practising your spellings for this week by looking at the list [here](#).

Then see what you remember by completing this joining [activity](#). Remember that you can upload this specific activity onto Seesaw and join word segments together with the drawing tools on there 😊
