Morning Message

Hyvää huomenta, Year 5! (Finnish)
Twinkling into Thursday...
Is it a snow globe? Is it a bubble?
Watch this magical [video](#) as the weather continues to cool.
Want to learn more? Take a look at [this](#) - you can even make your own snowflake.
Have fun!

Writing

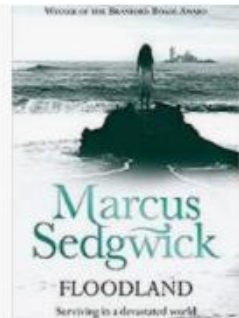

Wow, what an incredible week of writing you have produced so far!

Today, you are going to be using relative clauses to add relevant detail. Remember that relative pronouns are who, which, whose, where, when and that. However, 'who' and 'which' are the most common 😊

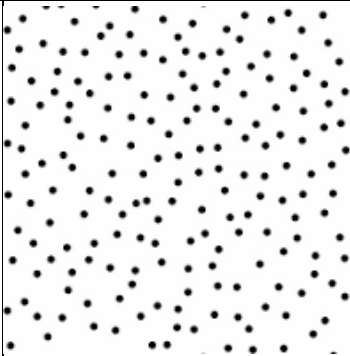

Please see your lesson [here](#) and your model text and supporting vocabulary [here](#).

Reading

Happy Friday eve! Well done on all your fantastic reading so far this week 😊 Today, we are going to practice reading the entire text together! Don't forget to complete your Day 3 Do Now [here](#)! Here is your lesson <https://youtu.be/kjg2nlorcak> along with the reading text [here](#) to support you with your questions [here](#). 😊

Mathematics

Morning, Mathematicians!
Today we will be learning how to represent fractions as a decimal.
Hope it doesn't turn you... dotty!
You can find today's video [here](#).
The Independent Tasks are [here](#) and you can also check your answers [here](#).

Foundation Subject-

Outdoor Learning

We will be continuing learning about endangered animals today and looking at what their main threats are.
