

# Year 6

## Wednesday 6<sup>th</sup> January 2021

### Morning Message

Remember to attend your class briefings on teams. Your morning briefing is at **8.40** and your afternoon briefing is at **14:00**. We expect to see everyone on both calls each day.

**WELL DONE** to everyone who has been uploading their work onto **Seesaw** today. It was wonderful to see the time and effort you are putting into the work you are doing at home and all of your adults at school are really proud of you! Keep up the excellent work!  
Especially well done to everyone who engaged with their afternoon subjects – it was great to see how much you had learnt about the Amazon rainforest!

### Writing

Such fantastic engagement with our new writing yesterday team – well done!  
Almost 200 views – WOW!

Today, we are starting to write our first-person narratives - a diary entry from the perspective of Francis.

Please watch Miss Love's [model](#) careful – use it to guide you, but we encourage you to be creative with your ideas too. Remember, we are looking for examples that adopt an informal tone (chatty style) and use effective language choices to show how Francis was feeling at the beginning of the evening.

Ensure you put your writing on SeeSaw – we will be sharing excellent examples in our morning meeting!

### Reading

Thank you to those of you who have uploaded their work in onto Seesaw – keep up the fantastic work Year 6!

In today's reading lesson, we will begin to retrieve information from the text; this will help us to answer questions about the text.

Miss Ahad has recorded the lesson [here](https://youtu.be/YgeUYRNnF5o) <https://youtu.be/YgeUYRNnF5o>

You can find a copy of the text [here](#) and your activity [here](#).

Make sure you use the text to help you answer your questions.

Can you have a go at the extension too?

Please ensure that you mark and correct your answers before uploading – learning from your mistakes is how you progress rapidly!

### Mathematics

Well done to everyone who completed yesterday's work with such beautiful presentation and care.

In today's lesson we will be learning how to write simple algebraic formulae. Please make sure you have paper, and pencil and a ruler before beginning the [video](#).

Once you have finished watching the video have a go at the independent examples [here](#).

Good luck and don't forget to try the challenge!

# Year 6

Wednesday 6<sup>th</sup> January 2021

## PE

This term in PE, we are doing dance with Miss Webster! Make sure you have lots of space and water! Here's our first [video](#).

I wonder if you can spot the special guest?

## Assembly

[Here](#) is think Youtube link to the assembly on foreign currency.

## Weekly Spellings

Please learn these [spellings](#) by copying out each word 3 times on a piece of paper.

Spelling
