

# Year 6

Date 25.01.21

## Morning Message

Good morning Year 6,

It's Week 4 of Home Learning – can you believe it?

We're so proud of all of your efforts so far and can't wait to see what you produce this week!

Remember to attend your class briefings on teams. **Your morning briefing is at 8.40am and your afternoon briefing is at 2.00pm.** We are really looking forward to seeing you online.

If you don't have a link, ask your adult to email [info@arkfranklinprimary.org](mailto:info@arkfranklinprimary.org).

## Writing

Today, we will be finishing writing our persuasive adverts. Find the video [here](#)

Well done for your hard work on these so far – they are looking fantastic. When you have finished them, why don't you have a go at recording a video of yourself presenting it as if you were on a television or radio advertisement?

Don't forget to include a REALISTIC example of a special offer too 😊 Remember, most parents who are shopping for skipping ropes aren't going to want their children to win a PlayStation!

## Reading

Good morning Year 6! We are off on another adventure around the world, but this time we are heading to somewhere a lot warmer. Today we are going to learn about how buying Fairtrade products can improve the life chances of farmers and producers around the world by ensuring they get a fair price for their products.

The video and questions can be found [here](#) and the text can be found [here](#).

Make sure you answer and mark all 19 questions! We look forward to seeing your work on Seesaw!

## Mathematics

**Good morning Marvellous Mathematicians!**

In maths today **there is no worksheet** – instead all of your questions are in the [video](#). Please make sure you have paper, pencil and maybe even some coloured pens to help you with today's learning.

We are going to be converting different units of measure- something children in Year 6 struggle with if they don't follow the steps to success, so make sure you're paying attention during the video and don't forget you can always rewind if you need to.

We are looking forward to seeing all your outstanding work on SeeSaw!
