

Year 6

Date 26.01.21

Morning Message

Good morning Year 6,

Today's riddle has been set by Willow in Oxford class. Remember, if you would like your riddle to be featured, just upload it onto Seesaw

“There are 5 brothers: Joe is cooking 🍳 Max is reading 📖 Alex is playing chess ♟️ Jack is sleeping 😴 What is the fifth brother doing?”

Remember to attend your class briefings on teams. Your morning briefing is at 8.40 and your afternoon briefing is at 2pm. We are really looking forward to seeing you online.

Writing

Today, we're going to be planning a new persuasive advert for a children's educational toy. You will design an **exciting** and **educational** toy for children aged 3-4 years.

Find today's lesson here ([part A](#)) and ([part B](#)) – we can't wait to see your ideas!

Reading

Good morning Year 6!

Today we are going to continue learning about how buying Fairtrade products can improve farmers and producers around the world.

The video can be found [here](#) and the text can be found [here](#).

Make sure you answer mark all 18 questions and record yourself reading the section we have assigned! We look forward to seeing your work on Seesaw 😊

Mathematics

Good morning Year 6! Today we are going to continue our learning with metric units of measurement. Well done to everyone who is presenting their work as neatly as possible on their paper.

Today's lesson and questions can be found in the video [here](#). Please continue to show integrity by pausing the video in between each question in order to calculate the answers.

REMEMBER: if Ms Graham has made a mistake, that is an opportunity for you to demonstrate your superior understand and point it out, rather than just copying down on your paper! (And we all know Ms Graham sometimes makes silly mistakes)

(There is a tiny technical difficulty during this video where my document closes - just wait or skip forwards until it is open again 😊)

Geography

Please watch this [video](#) on the **impact of deforestation**. The link to the reading on endangered animals can be found [here](#).

Question for the day

The man on the left is Joe Biden. Using this information, can you find out who the person on the right is?
Why are these two people significant?

Weekly Spellings

Please write the definition of each word or use it in a sentence. Here is the [link](#) to the spellings.
