

Morning Message

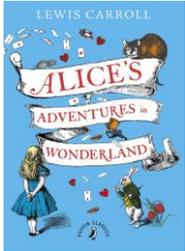

Good morning Year 6!

We have been so impressed with your **amazing efforts** so far this term!

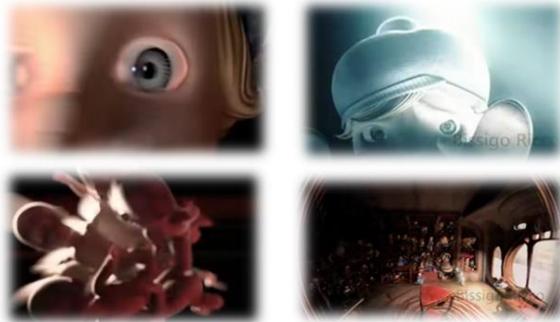

Click the link [here](#) to listen to a free audio book of children's favourite, Alice in Wonderland. This classic novel is so popular it has been adapted for film and television over times! This version is read by Golden Globe nominee, Scarlett Johansson (from the Avengers)

Remember to attend your class briefings on teams. Your morning briefing is at **8.40am** and your afternoon briefing is at **2pm**.

Have a great Tuesday everybody ☺

Writing

Congratulations for all your wonderful writing so far – it has been a pleasure to read each part of your narrative and we are so looking forward to seeing your endings.

As you know, at the end of the [video](#) (I recommend watching one final time!), Alma becomes imprisoned inside the body of her doll and so in [today's lesson](#), we will be focusing on using 'Show not Tell' to express her thoughts and feelings.

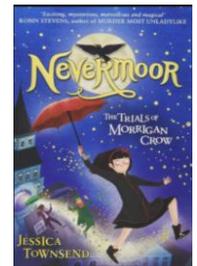

Reading

Happy Tuesday Year 6!

Today we are going to do [paired reading](#), this means you must pause the video and take on the ownership of the reading. Should you need a copy of the text, it can be found [here](#).

Please complete the Do Now and ALL 13 questions - don't forget to record yourself reading page 2 and upload it onto Seesaw! 😊

We can't wait to hear your fluent reading on Seesaw! 😊

Mathematics

Today's maths lesson will be quite tricky, so I have gone through lots of examples with very clear steps to success. If you follow my steps, you will be successful. Work hard and persevere!!

Please make sure you are watching the video [here](#). The questions are, as always, embedded within the video but they can also be seen [here](#).

Make sure you present your work as demonstrated throughout the lesson 😊

Happy Safer Internet Day Year 6.

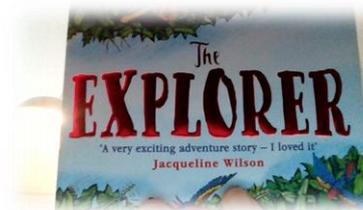

We hope that you have been using the internet safely and always keeping your personal information private whilst online.

In line with this year's online safety theme, we have prepared a short presentation on how to check if news online is real or false. Click [here](#) for the presentation.

Book Club and Question for the Day

Please listen to Ms Tan [reading](#) the end of the Maiden Voyage chapter and answer this question:
What animal swims near Fred and why can it be dangerous?
