

Year 6

Date. 24.02.21

Morning Message

Happy Wednesday Year 6! Well done on your continued efforts uploading all of your work onto Seesaw – we are so very proud of you!

Remember to attend your class briefings on teams. Your morning briefing is at 08:40 and your afternoon briefing is at 14:00. We are really looking forward to seeing you online.

If you don't have a link, ask your adult to email info@arkfranklinprimary.org.

Writing

What a fantastic start you made to your first-person narratives yesterday!

Now, one of the **common pitfalls** of the first-person narrator (particularly pertinent in our writing yesterday) is starting a string of sentences with the same subject: 'I'.

In our [lesson today](#), we are going to revisit the acronym **DADWAVERS** (see right) as we write the next part of the story. Watch carefully to see how you can include a range of different openers that will **electrify some life into your writing** and **aid cohesion**. It would be great if you could highlight examples of where you've used an effective sentence starter.

As always, keep your presentation standards **HIGH** and also reread your work to check for punctuation and sense.

Reading

Before we begin today's [lesson](#), we would like to say a massive well done to the children who have uploaded themselves reading onto Seesaw – you all sound fantastic 😊

We are continuing with our non-fiction text all about the Namib Desert, and you have 13 questions to complete. If you need a copy of the text, it can be found [here](#).

Please mark and read aloud 'Desert Shipwrecks' and upload it onto Seesaw.

Keep up the great work Year 6!

Mathematics

We are going to continue our topic of time today. Today, we are moving away from reading the time and we will be **converting** different units of time. Please make sure you watch the [lesson](#) here and try the practice questions which are chunked up to help you learn and embed the skills before attempting the [task sheet](#).

Remember, all the questions are also embedded in the video, so you do not need the task sheet at all 😊

Please don't forget to complete your **morning arithmetic and reasoning questions** and upload them onto Seesaw!

PE

Please watch this [video](#) for today's HIIT workout with Ms Tan. The routine is 3 sets of this:

- 20 high knees
- 20 kick backs
- 15 star jumps
- 10 squats
- 5 burpees
- 20 bicycle crunches

Book Club and Question for the day

Listen to Ms Tan read the end of this [chapter](#).

Question: *What animal do they find and how would you describe Lila's feelings towards it?*

Weekly Spellings

Please learn this [spelling rule](#) and these 5 spellings! See if you can think of 3 more words like this.
