

Morning Message

Well done to those of you who got yesterday's riddle correct. The answer was.....**A PROMISE**.
Today's riddle has been submitted by **Finley Williams** in Oxford class (if you would like your riddle to feature, upload it to Seesaw for your class teacher to see 😊)

"Can you find the the mistake?"

1,2,3,4,5,6,7,8,9,10"

Remember to attend your class briefings on teams at 8:40 and at 14:00!
If you don't have a link, ask your adult to email info@arkfranklinprimary.org.

Writing

Another day of excellent writing Year 6 – well done!

I loved all the synonyms you used for cohesion the conjunctions you used to extend your sentences. Everybody managed to maintain an informal tone too – great job!

There are still some children making errors with **common homophones**; these re practised during the editing part of the lesson (at the beginning) Please make sure you are fully engaged in this part of the [video](#) so that you can learn from your mistakes.

Keep up the great work, and we can't wait to see your work on SeeSaw later today!

Reading

We are continuing our voyage into the Arctic today. Please make sure you are watching the entire video [here](#). Well done to everyone who has been completing the secret Arctic missions. We've been so impressed.

You can find the reading extract [here](#) and don't forget to try the extension when you answer the questions which are [here](#).

Mathematics

Today in maths we are going to be finishing our work on statistics by learning how to find....**THE MEAN!**

Even if you think you know how to find the mean already, you need to watch today's [video](#) as that is where you will half of your maths work (the arithmetic, reasoning and input questions).

Once you have watched the video and answered the practice questions, it's time to have a go at the independent work for the day, which can be found [here](#).

Year 6

Date 22.01.21

Music

You are doing SUCH a great job with Something Just Like This, year 6! We've nearly finished the song! [Here](#) is Miss Webster to teach you the second verse!

Find the lyrics online in a font that suits your preference

Here is the vocal [track](#) Here is the [backing track](#)

Computing

Please watch today's [video](#) computing on how to create a **Science** quiz on Purple Mash. Please first get hold of your Purple Mash login.

Please make your questions related to what you have learnt this year in **Science** and your target audience will be **Y6**.

Please make a minimum of 5 and a maximum of 10 questions.

Remember to share your completed quiz as a BLOG after saving it so that others can see your amazing quiz!

Weekly Spellings

Please do the spelling test using this [video](#) of Ms Tan reading out the spellings. Remember to put your spelling words away during the test. All you need is a pen and paper. Good luck!

Creative Challenge

If you would like to try this weekend's creative challenge, we have another **cooking challenge** - this time focusing on **starters or healthy desserts**. Have a go at preparing a dish (independently if you can) and post a picture on SeeSaw. It can be anything from fruit salads to hummus to bruschetta (tomatoes on toasted bread) to porridge. If you would like to write out your instructions, we can share the recipes with your classmates!
