Computing To Dos

Today for computing please spend some time perfecting your skills on TTRockstars.

Science

This week you will be exploring the different Food Groups – to recap your knowledge, watch the video [here](#)

Your task is to recommend either a snack or small meal that would provide the following people with what they most need:

- An 11 year old boy about to sprint in the 200 metre race.
- A postman who will be walking for three hours delivering post.
- A Year Three child who fell playing football – they now have a grazed knee and fractured their wrist.
- A poorly teenager who has cold-like symptoms.

Why have you recommended the following foods for these people?

"I have chosen _____ for this person, because it will provide them with _____. This will help with ..."

Question for the day

Of all the things you are learning, what do you think will be the most useful when you're an adult?

Weekly Spellings

Remember to learn the words in the context of a sentence – only practise writing the target word though!

**flies tries replies cries copies babies carries
spies supplies lorries**

Try using the look, cover, spell, check method!
