

### Morning Message

Good morning Year 6!

Can you believe that this is your final day of home learning before school reopens for some of you? You should be so proud of all the work you have completed over the past couple of months, and we hope that you'll mark this special occasion by doing your best work yet today!

We loved seeing all of your uploads on SeeSaw yesterday, and we're hoping to see more of the same today.

Have a wonderful day, and see some of you TOMORROW! 😊

Miss Love, Ms Graham and Mr Vadera

### Writing

Today, we are going to continue writing our recipes for banana pancakes! Re-watch the video [here](#) to remind you of how to make them.

Yesterday you did an amazing job writing your exciting introductions and ingredients lists (with wonderfully specific noun phrases).

Today you are going to write the method. See [our example](#) and remember, this is for a different recipe so don't copy it!

### Reading

In today's reading, we are going to continue our revision of our Autumn term science topic. In this extract you will learn more about Darwin's Finches.

You can find part one of the story and the questions [here](#).

The answers are at the bottom of the text.

### Mathematics

Today's lesson focuses on [converting fractions to percentages and decimals](#) (Week 6, Lesson 2). After watching the lesson, complete the [worksheet](#) and check your [answers](#).

If you wish, have a go at the daily challenges:

1) [Gold](#) 2) [Platinum](#)

Answers can be found here:

1) [Gold](#) 2) [Platinum](#)

Computing To Dos

Today for computing please practise coding

Go to Purple Mash > Computing > 2Code

Task: Work through the Debug Challenges Chimp

Outdoor Learning

Read [Ms Pritchard's message](#) here to find out all about today's lesson.

You may want to follow this [link from The National Trust](#) to find out more about how to build a den.

Drawing Challenge!

After the success of last week's drawing challenge and the wonderful Gregosaurs' you drew, we are going to try another. This time you are going to draw.....KEVIN! Watch another one of Rob Biddulph's videos [here](#) and then have a go at drawing your very own Kevin.

On the right, you can see Ms Graham's attempt. This time, I'm not so sure you can do better.... This is pretty good!

Have a go at drawing your own Kevin, or any other illustration if you prefer, and upload it onto Seesaw for us to have a look at.

Weekly Spellings

You can find this week's spellings [here](#).

Please continue to learn them by doing the activities and 'Look, say, cover, write, check'".
