

### Morning Message

Good Morning Year 6,

**Can you believe that this week you were due to complete your SATs?** Today, you would have done your spelling and grammar test. Of course, you won't have to do them this year, but it's still extremely important to complete your daily work and establish good habits for learning so that you are set up for success at secondary school.

Looking forward to seeing the brilliant work you produce later today – **let's have everyone aim to upload at least once onto SeeSaw.**

Miss Love, Ms Graham and Mr Vadera

### Writing

This week, we have a brand new video and a song you may recognise too: scroll down to ['David Guetta – Titanium'](#).

Today, we will be writing a description of the scene we see at the beginning of the video. Pause at **0.19** and look at the image of the corridor. *How is it different to our corridor in school? Why? What has happened?*

You should try to focus on using **figurative language (similes and metaphors) to enrich your descriptions**, and **your language should make the reader realise the severity of the situation and the chaos** that has occurred.

Use this [example](#) to support you; note how we have highlighted the effective language techniques used? *Can you incorporate some of these techniques into your writing too?*

**Challenge:** can you use 'as though' to make a comparison rather than 'like' all of the time. 😊

### Reading

This week we will be focusing on **Switched Fairytales**, and we will begin by looking at ['Robyn Hood'](#).

The answers can be found on page 3, so if you're printing, you won't need this page until after you've completed your work.

### Mathematics

Get yourself started with today's [Do Now](#).

Then, watch the video tutorial on [multiplying fractions by integers](#) (whole numbers). Once you have done so, have a go at [today's activity](#) and then check your answers [here](#).

Then, challenge yourself:

1) [Gold](#)

2) [Platinum](#)

The answers can be found here: [Gold](#) and [Platinum](#)

### Computing To Dos

2TYPE

Today we are working on our typing skills. Please watch the lesson and practise the activity. Go to:

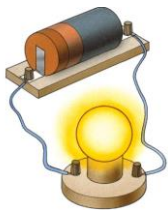

Purple Mash > Computing > 2 Type

Today's task:

1. Letters and Numbers
2. Vowels and Consonants

### Science

Before you get started, have a go at the knowledge review [here](#).

Today, we will be looking at electrical safety in the home. Have a read of our summary [here](#) and complete the task.

You can also look at the electrical hazards in this [virtual home](#) to help you.

### Fitness Challenge

Have a go at today's [skipping challenge](#). This is an excellent way to build up your cardio and your stamina!

### Weekly Spellings

Please find your weekly spellings [here](#).

Today, we want you to find definitions of each of the spellings. You can use the following website to help you:

<https://www.wordsmyth.net/>
