Morning Message

Good morning Year 6 and Happy Friday!

What a fantastic week this has been. – we have seen the highest number of SeeSaw uploads ever and almost every child in our year group has now uploaded at least one piece of work. Really well done!

As you begin to think about transitioning to Secondary School, it is more important than ever for you to establish good work habits and continue to build on all of the fantastic progress you have made this year and throughout your time at Primary School.

Have a lovely weekend – we know some of you were really keen to get back to the park so perhaps you'll enjoy some time there in the beautiful weather if you're able to.

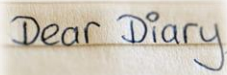

Take care. Miss Love, Ms Graham and Mr Vadera

Writing

It's our final day of [Titanium](#) today, and what fabulous writing you have produced so far! We certainly have some budding police officers amongst you all based on yesterday's reports!

Today, we'd love you to a **short diary entry written by the boy the following morning**, detailing his experience the previous day. Check out a [great example](#) here.

As an additional challenge, *imagine he has just read a newspaper article* written about what has happened and it includes details of what is being said about him by others.

Effective entries will include emotive and informal language as well as use of show not tell and descriptive vocabulary.

Reading

Today's 'Switched Up' Fairytale is all about little [Sleeping Cutie!](#)

Mathematics

Today's [maths lesson](#) is all about multiplying and dividing by the powers of ten.

Much of this is revision though please watch the video just to remind yourself. Then, complete these [questions](#), and check them against the [answers](#).

Finally, we're hoping that lots of you will be able to complete the challenges of this Fantastic Friday; find them and their answers here:

- o [Gold Challenge](#) and [answers](#)
- o [Platinum Challenge](#) and [answers](#)

Year 6

Date: 15.05.20

Computing To Dos

Today's computing is to create art!

Go to Purplemash > Art > Paint Projects > History > Egyptian Hieroglyphs

Create your own art using Hieroglyphs and post a screenshot on SeeSaw for us!

Spanish

Find today's Spanish lesson from Mr Bell [here](#).

Enjoy!

Random Act of Kindness

Positively respond to a member of your class's work on SeeSaw – can you choose somebody who you don't speak to very regularly?

Or you could call a grandparent to give them some company.

And most of all, be kind to yourself today: do something that makes you feel good!

Choose Kindness

Weekly Spellings

Today, ask someone to test you on your spellings from this week.

Good luck!
