## A message from Beanstalk:

Are you looking for a rewarding volunteering opportunity? Would you like to make a difference to a child's life?

By becoming a voluntary Reading Helper with Beanstalk you can make an outstanding contribution to a child's reading ability, self-confidence and love of reading. Each Reading Helper provides sustained one-to-one literacy support for three children who are falling behind the expected reading level for their age. By sharing dedicated reading time on a weekly basis, a child can build up confidence around literacy.

Please note parents will not be asked to volunteer at their own children's schools. You can sign up at any time during the school year and full training and expenses will be provided.

To find out more about becoming a Beanstalk Reading Helper please go to [www.beanstalkcharity.org.uk](http://www.beanstalkcharity.org.uk) or call the North West London office on 020 8349 8094 or 020 8349 8095.
