

Dear Parents

What a wonderlicious day of Dahl we had today!

After three weeks of celebrating one of the greatest authors of all time our children spent today participating in a carousel of Dahlesque activities across their phases.

Meanwhile, at lunchtime, Orville and his team served a menu of which Dahl would have been proud, including snozzcumpers, of course.

We will inform all winners of the revolting recipes competition on Monday, when they will receive their personal invitation to a private viewing of the BFG at the Lexi, scheduled to take place next Wednesday morning.

Thank you to the PA who organised a bake, uniform and book sale after school today, the proceeds of which are going towards funding the science day they have organised with Mad Science, which is due to take place next Tuesday.

### DOUBLE PARKING ON KEMPE ROAD

My standing in the road and taking photographs of illegally parked cars does seem to have an impact; I would rather not have to do this on a daily basis, so please use meters located not far from school and walk to collect your children.

### CLUBS

We have spaces in the following clubs:

Monday	KS2 gardening
Tuesday	KS2 hockey
Wednesday	KS2 girls' football
	KS1 singalong
Thursday	KS1 yoga
	KS1 ballet
Friday	KS2 dance
	KS2 ballet

After half term we will be starting a music creation club for years 5 and 6.

Please see Mrs De Lucia to join any of our clubs.

### MEET THE TEACHER

On October 6<sup>th</sup>, next Thursday, parents in years one to six are invited to come in and meet their child's teacher from 3.30-7.00pm; please ensure you have completed the reply slip giving three time options.

The KS2 playground will become a car park from 3.30pm to ease congestion and enable your attendance, so please collect children promptly and vacate the playground to facilitate this.

During the evening Queens Park Books will be selling books in the dining room, including many from our year group reading lists, and Orville will be selling refreshments.

Look forward to seeing you all on Thursday; have a wonderful weekend.

Warmest regards  
Janine Ryan  
Headteacher

### Headteacher's thought for the week

Do not learn how to react but how to respond

Year 3 are visiting Pizza Express over the next three weeks, Southbank thoroughly enjoyed themselves on Wednesday.
